

# Prominent Institutions Earn Accreditation from QAHE

Recognizing Excellence in Education: QAHE Accreditation Empowers Institutions to Shine

**Oregon City, Oregon Apr 18, 2024 ([Issuewire.com](https://www.issuewire.com))** - In a significant milestone for the education sector, several prominent institutions have recently been awarded prestigious accreditations by the [International Association for Quality Assurance in Pre-Tertiary & Higher Education \(QAHE\)](#). These accreditations validate the institutions' commitment to maintaining exceptional academic standards and their dedication to providing students with a world-class education.

One such institution is Daarul Salaam University (DSU) in Somalia, which has received accreditation from QAHE. Located in Mogadishu, DSU has quickly established itself as a leading educational institution by combining state-of-the-art infrastructure with innovative teaching methodologies. The accreditation by QAHE recognizes DSU's adherence to rigorous educational standards and its focus on practical, work-based learning opportunities, ensuring that graduates possess both theoretical knowledge and real-world skills essential for success in their professional endeavors.

Preah Sihamoniraja Buddhist University (PSBU) in Cambodia is another institution that has recently been granted accreditation by QAHE. PSBU takes great pride in its accreditations and affiliations, which further validate its commitment to excellence in education. Accredited by the Accreditation Committee of Cambodia (ACC), as well as the Accreditation Service for International Colleges (ASIC) and the International Education Accreditation Council (IEAC), PSBU's esteemed accreditations and

membership in the International Association of Universities (IAU) speak to the institution's unwavering dedication to delivering high-quality education to its students.

KLE Academy of Higher Education and Research in India has also earned accreditation from QAHE. Comprising eight constituent units with state-of-the-art infrastructure, KLE Academy offers a comprehensive selection of 193 academic programs across disciplines such as Medical, Dental, Ayurveda, Physiotherapy, Pharmacy, and Nursing Sciences. The University's accreditation with an 'A' Grade by the National Assessment and Accreditation Council (NAAC), its Category 'A' placement by the Ministry of Human Resource Development (MHRD), and its position in Category-II of Deemed-to-be-Universities by the University Grants Commission (UGC) demonstrate its commitment to quality enhancement and sustainability across all fields.

Islamic Azad University Science and Research Branch (IAU-SRB) has also received accreditation from [QAHE](#), emphasizing its dedication to delivering high-quality education in the field of science and research. With its impressive global ranking and a roster of over 1,000 renowned professors, IAU-SRB stands as a prominent academic institution both nationally and internationally. Graduates from the Tehran Science and Research Unit of IAU-SRB emerge with a solid academic foundation and expertise in their respective fields, further contributing to the university's reputation for excellence.

QAHE's expansion of its accreditation portfolio includes strategic collaborations with notable institutions such as the Islamic Azad University UAE Branch, Central Asian University's School of Dentistry, and Venators, among others. These partnerships highlight QAHE's continuous efforts to promote academic excellence and foster global recognition in pre-tertiary and higher education.

Accreditation from QAHE serves as a mark of distinction for these institutions, signifying their dedication to upholding rigorous educational standards and providing students with an enriching learning experience. It also reinforces their commitment to global competitiveness and recognition, opening doors to a wider range of opportunities for both students and faculty members.

The International Association for Quality Assurance in Pre-Tertiary & Higher Education (QAHE) is a trusted non-governmental organization that plays a vital role in assessing and recognizing educational institutions for their commitment to excellence. With a strong focus on academic accreditation, QAHE serves as an authoritative body in evaluating institutions and promoting quality education worldwide.

These recent accreditations awarded by QAHE highlight the outstanding achievements and commitment to excellence demonstrated by Daarul Salaam University, Preah Sihanoniraja Buddhist University, KLE Academy of Higher Education and Research, Islamic Azad University Science and Research Branch, and other esteemed institutions. Through these accreditations, these institutions continue to make significant contributions to the advancement of education and the overall development of their students.
