

Raphael Bones, MD, A Dedicated Physician Practicing Integrative Functional Medicine in Florida

Discover the Journey of Dr. Raphael Bones, From Serving in the US Navy to Providing Exceptional Healthcare in Florida

New York City, New York Apr 11, 2024 ([IssueWire.com](https://www.IssueWire.com)) - Dr. Bones, a dedicated physician with a passion for integrative functional medicine, is making a significant impact in the healthcare industry in Florida. Born and raised in the picturesque Guayanilla Bay, Puerto Rico, his journey to becoming a respected medical professional is nothing short of inspiring.

Growing up in a family that cherished fishing and water sports, he developed a deep-rooted connection to his surroundings and a sense of commitment to serving his community. This commitment led him to join the US Navy while pursuing his education at the University of Puerto Rico. In 2000, he earned his medical degree from the Universidad Central Del Caribe Medical School, marking the beginning of his illustrious career in healthcare.

After completing two years of the General Surgery residency program in Puerto Rico, Dr. Bones decided to pivot his focus and embarked on a journey to specialize in Internal Medicine. In 2005, he successfully completed his residency, equipping him with the skills and knowledge needed to excel in various medical settings. His dedication to his patients and his community is further exemplified by his Board Certification from the Florida Department of Health.

Throughout his career, Dr. Bones has garnered extensive experience in diverse healthcare environments, including the Emergency Room, as a Hospitalist, and as a Primary Care Provider in outpatient clinics. His unwavering dedication to providing high-quality care has earned him memberships in prestigious medical associations such as The American Medical Association, The Florida Medical Association, The American Association for Physician Leadership, and The American Academy of Anti-Aging Medicine.

In 2015, he made a pivotal decision to join Prixus Medical, where he practices primary care with a focus on integrative functional medicine. This shift allowed him to align his medical practice with his vision of holistic and patient-centered care, ensuring that each individual receives personalized and comprehensive treatment.

Outside of the office, Dr. Bones enjoys unwinding by playing golf and boating in the serene waters of the Florida coast.
