

# **Todd Brubaker, DO, FAAP: A Respected Pediatric & Newborn Hospitalist Making a Difference in Children's Healthcare**

**Diverse Expertise and Dedication to Child Health Highlighted in Latest Achievements**

**New York City, New York Apr 9, 2024 ([IssueWire.com](https://www.IssueWire.com))** - In the heart of the Rocky Mountain West, Dr. Brubaker shines as a dedicated Pediatric & Newborn Hospitalist in a Level I Pediatric Trauma Center within a major children's hospital. Currently serving on the Trauma Committee at their hospital, he also plays a pivotal role on a state-wide Drug Utilization Review Board, showcasing a dedication to improving healthcare systems at a broader level.

Armed with a medical education from Kirksville College of Osteopathic Medicine and specialized training from the University of New Mexico and the University of Kansas School of Medicine, he exemplifies a steadfast commitment to continuous learning and professional growth.

Passionate about his profession, the doctor is board-certified in pediatrics by the American Board of Pediatrics (ABP). The mission of the ABP is to advance child health by certifying pediatricians who meet standards of excellence and are committed to continuous learning and improvement.

Dr. Brubaker's passion for public health is evident through his past role as Medical Director for a multi-county public health agency, where his leadership made a tangible impact on community well-being. Additionally, as a founding Physician Member of a state-wide lead exposure & toxicology board, his advocacy for environmental health issues is deeply ingrained in his professional ethos.

Notably, his involvement in shaping pediatric healthcare policies is underscored by his service on the executive board of the American Academy of Pediatrics Council on Environmental Health. This platform allows him to contribute to initiatives that promote the well-being of children nationwide, emphasizing a holistic approach to pediatric care.
