

Aliant+ Global Network: Redefining Cross-Border Collaboration in Legal and Accounting Services

May 2024

Encino, California Jun 1, 2024 ([IssueWire.com](https://www.issuewire.com)) - Aliant+ Global Network proudly announces its official launch, marking a significant milestone in the evolution of international legal and accounting services. Aliant+ brings together a select group of independent firms fostering genuine collaboration among members by creating an environment to sustain strong relationships and efficiently handle cross-border work together. Currently in 24 countries, Aliant+ is growing rapidly every week surely kicking door wide open into the law firm and accounting networking market.

"At Aliant+, our members see Aliant+ as their extended global family. It is this sense of likeability and trust that allows our alliance to flourish.," said Jacob Stein, Chairman of Aliant+ Global Network. "Our network brings together leading firms from around the world, united by a commitment to providing clients with the highest quality legal and accounting services, through trust."

"At Aliant+ Global Network, it is important to us to ensure that each member firm will feel not only like a family, but also a family of similarly minded and similarly successful firms. These similarities increase the volume of work exchanged among our members." Said one of the members of Aliant+ Global Network.
