**Offering Unrivaled Chiropractic Care in Lake Wales, Florida**

**New York City, New York May 29, 2024 ([IssueWire.com](https://www.IssueWire.com))** - Dr. Anthony E. Faro, a distinguished chiropractor with over three decades of experience, is revolutionizing the field of natural healing at the Alternative Care Wellness Center in Lake Wales, Florida. Since establishing his practice in 1993, he has been dedicated to advancing chiropractic medicine by integrating non-invasive diagnostic testing, nutritional analysis, natural supplements, and chiropractic therapies to offer safe, scientific, and

effective treatment options for his patients.

A highly accomplished individual, Dr. Faro's educational journey has been marked by excellence and dedication to holistic wellness. Graduating Summa Cum Laude from Life University in Atlanta, Georgia, he holds a Doctorate in Chiropractic, a Master's Degree in Sports Health/Exercise Physiology, and a Bachelor's Degree in Biological Sciences. Additionally, his studies in Naturopathic Medicine at the I. W. Lane College of Integrative Medicine in Orlando, Florida, has further enriched his practice.

Dr. Faro's commitment to academic and professional excellence is evident through his appointment to the Clinical Faculty at Life University, where he supervised chiropractic interns and facilitated patient care plans. Notably, his role as Life University's Chiropractic Team Physician for Intercollegiate Athletics allowed him to provide top-notch injury management and chiropractic treatments to university athletes, NBA players, and LPGA professionals.

Furthermore, Dr. Faro's extensive postgraduate training in specialty areas such as biomechanics, whiplash and brain traumatology, as well as injury management and diagnosis underscores his dedication to staying at the forefront of chiropractic medicine. His fellowship in acupuncture from the International Academy of Medical Acupuncture in 2001 further demonstrates his commitment to expanding his expertise in holistic healing modalities.

Beyond his clinical practice, Dr. Faro is an active member of prestigious organizations including the American Nutraceutical Association, the United States Sports Chiropractic Federation, The Institute of Functional Medicine, and the Florida Chiropractic Association. His involvement in motor vehicle crash research and certification in Rear End Motor Vehicle Collision Analysis highlight his multifaceted approach to patient care and commitment to advancing the field of chiropractic medicine.

For individuals seeking comprehensive natural healing solutions rooted in expertise, innovation, and personalized care, Dr. Anthony E. Faro and the Alternative Care Wellness Center stand as beacons of excellence in the realm of chiropractic medicine.
