

Baltimore Nighthawks, PNC Bank Extend Sponsorship Through 2024 Season

Baltimore, Maryland May 19, 2024 ([IssueWire.com](https://www.issuewire.com)) - Baltimore Nighthawks, PNC Bank Extend Sponsorship Through 2024 Season

Relationship spans four years of promoting financial success throughout Maryland

The Baltimore Nighthawks announced the extension of PNC Bank's corporate sponsorship agreement through the 2024 season. The relationship is now entering its fourth year and supports the Nighthawks' goal of providing a safe environment that enables women to learn and apply the principles of teamwork, discipline, dedication and sportsmanship.

"Many Maryland small business owners have been forced to get creative while navigating higher costs for supplies, material shortages, staffing shortages, loss of event venues, and other property. Costs for facilities have doubled over the last four years," said Tanya Bryan, CEO of the Baltimore Nighthawks. "To have the consistent support of PNC Bank is something for which we are forever grateful."

Since inception, the Baltimore Nighthawks focused on facilitating the development of strength and character in team members and throughout the organization. The team believes in actively participating in the community to support various charities and youth programs. The Nighthawks' belief in community engagement and personal development is closely aligned with PNC's focus and values, in addition to providing opportunities to expand the team's network and participate in discussions with other business owners and community members engaged with the bank.

The Nighthawks will continue to work with PNC to promote financial education and success. “PNC is proud to continue supporting these professional women performing at the highest levels of their sport, while together we promote financial success throughout Maryland,” said Laura Gamble, PNC regional president for Greater Maryland. “As a coast-to-coast franchise with a local focus, we will work to help this exciting club achieve brilliant results both on and off the field.”
