

# David Seth Feldman, MD, PhD, FACC, FAHA, Leads the Cardiovascular Service Line at Catholic Health WNY

**Dedicated Leader and Expert in Cardiology, Dr. Feldman Elevates Patient Care and Innovation in Buffalo, New York**

**New York City, New York May 22, 2024 ([Issuewire.com](https://www.issuewire.com))** - Dr. Feldman, a distinguished cardiologist, now serves as the Head/Director of the Cardiovascular Service Line at Catholic Health WNY and Chief of Cardiology at Trinity Health, bringing with him a wealth of experience and expertise to advance cardiovascular care in the region.

A graduate of the esteemed Medical College of Georgia, Dr. Feldman completed his residency at Washington University in St. Louis, followed by fellowships at both Duke University and Emory University. His extensive training and dedication to the field have positioned him as a leader in the medical community, renowned for his commitment to excellence and patient-centered care.

With an unwavering commitment to his specialty, the doctor is board-certified in cardiovascular disease and internal medicine by the American Board of Internal Medicine (ABIM). He has also been recognized as a Fellow of both the American College of Cardiology (FACC), and the American Heart Association (FAHA).

In his role as Head/Director of the Cardiovascular Service Line at Catholic Health WNY, he is spearheading efforts to enhance the quality and accessibility of cardiovascular services for patients across the region. With a focus on innovation and collaboration, he is working closely with his team to implement cutting-edge technologies and treatment approaches to ensure the best possible outcomes for every patient under their care.

As Chief of Cardiology at Trinity Health, Dr. Feldman is instrumental in shaping the strategic direction of the cardiology department, leading initiatives to improve patient outcomes and overall quality of care. His visionary leadership and passion for advancing the field of cardiology have earned him the respect and admiration of his colleagues and patients alike.

Beyond his clinical work, he is also deeply engaged in community outreach and advocacy efforts to promote heart health and raise awareness about cardiovascular disease prevention. His passion for making a positive impact on the lives of others extends far beyond the walls of the hospital, embodying the true spirit of a compassionate healer.
