Maa Bharath TV is launching a 24x7 news broadcasting channel across South India, available on YouTube, Facebook, Instagram. Covering five states in four languages, the channel will offer diverse content in News, Entertainment, Sports, Politics

Hyderabad, Telangana May 28, 2024 ([IssueWire.com](http://www.IssueWire.com)) - Maa Bharath TV to Launch 24x7 Digital News Channel Across South India

Maa Bharath TV has announced the upcoming launch of its 24x7 news channel, which will be available on YouTube, Facebook, Instagram, and other digital platforms. This new channel will serve the South Indian states of Andhra Pradesh, Telangana, Tamil Nadu, Karnataka, and Kerala, broadcasting in four languages.

The channel will cover a wide range of segments, including News, Entertainment, Sports, Politics, Movies, Crime, Devotional content, Life, Health, and Business, as well as National and International news. It will also feature product launches from multinational companies and provide updates on real estate ventures, including DTCP and HMDA layouts, construction projects, villas, and farmland opportunities.

GVR Chowdary, the Chairman of Agragami Group of Industries & Companies, and Maa Bharath TV, expressed his enthusiasm about the launch: “Our mission is to bring high-quality, diverse content to the people of South India. By leveraging digital platforms, we can reach a broader audience and provide them with timely, relevant news and information.”
