

Shreekant Patil Highlights Government Schemes for Export Growth at UAE-India Conference

Shreekant Patil recognized by Sharjah Chamber of Commerce for his Contributions to Boosting India's Export Capability

Mumbai, Maharashtra May 29, 2024 ([IssueWire.com](https://www.issuewire.com)) - Summary: - Global consultancy firm Crescendo World Wide partnered with the Sharjah Chamber of Commerce hosted an industry conference in Mumbai to boost Indian exports. Over 100 exporters and entrepreneurs from Maharashtra gathered to discuss strategies to enhance export capabilities. Keynote speaker Shreekant Patil highlighted opportunities for exporters to leverage government schemes and industry-specific programs. The event culminated in a felicitation of CE Shreekant Patil by the H.E Abdallah Sultan Al Owais, President of the Sharjah Chamber of Commerce (Govt of UAE), showcasing a commitment to driving increased exports from India and elevating the country's global economic standing. The conference provided a vital platform for stakeholders to collaborate and innovate, contributing to India's efforts to expand its export footprint globally.

Mumbai / Press Release – Leading global consultancy firm Crescendo World Wide recently partnered with the **Sharjah Chamber of Commerce** and Industry (SCCI) hosted a prestigious industry conference at Taj Hotel, Bandra on May 8th, 2024.

The event brought together exporters from diverse sectors including food, construction, and textile manufacturing, with over 100 exporters and entrepreneurs from Maharashtra in attendance.

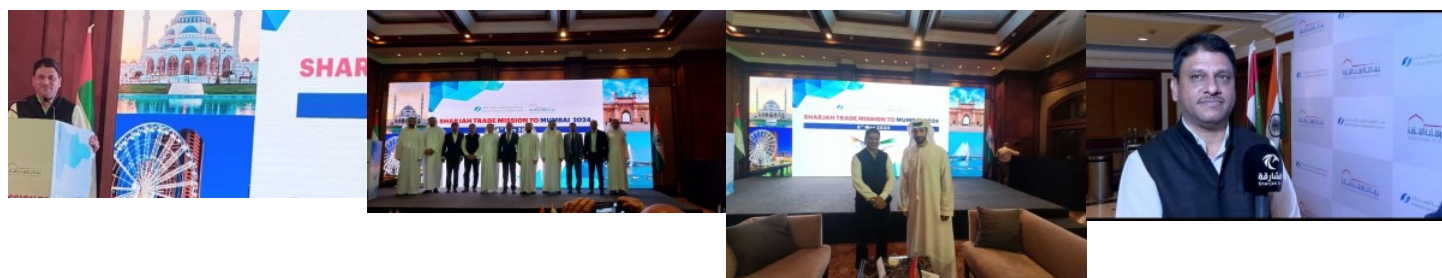

During the conference, CE Shreekant Patil, Chief Guest representing Crescendo World Wide and

MSME Consultant, shed light on strategies to enhance exports from India. As a keynote speaker at the event, CE Shreekant Patil, MSME Consultant, Mentor at Startup India elaborated on the opportunities available through government schemes, Indian Export Council initiatives, and various industry-specific programs offered by AEPC and EEPC. Emphasizing the importance of export growth for India's economic aspirations, he outlined how first-time exporters can leverage schemes such as the International Cooperation Scheme, Spices Board Schemes, and ARA Schemes to expand their reach within the country.

In order to establish India as a top supplier in the global supply chain and achieve a 5 trillion economy, it is imperative for Indian MSMEs to boost their exports. Shreekant Patil is actively collaborating with numerous agencies, chambers, and government nodal agencies to explore opportunities that will benefit Indian exporters.

In recognition of his valuable insights, CE Shreekant Patil was felicitated by the H.E Abdallah Sultan Al Owais, President of [Sharjah Chamber of Commerce and Industry \(SCCI\)](#) Govt of UAE. This collaboration between CE Shreekant Patil and [Crescendo Worldwide](#) underscores their shared mission to drive increased exports from India, ultimately contributing to the nation's global economic prominence. Shreekant Patil has decided to repeat the program that provided export opportunities for 50+ entrepreneurs. He is committed to organizing events for new exporters and MSMEs to facilitate exports to different countries with various export councils & various nodal agencies in India & International Chamber of Commerce.
