

Brian Acunto, DO, EJD, Respected Emergency Medicine Physician, Elevates Patient Care in Atlantic City

Board-Certified Dr. Acunto Brings Unparalleled Expertise and Leadership to AtlantiCare Regional Medical Center

New York City, New York Jun 6, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Acunto, a highly trained emergency medicine physician with a distinguished career, is making waves in the healthcare industry with his commitment to excellence and patient-centered care. With a background in osteopathic medicine and a residency at Lehigh Valley Health Network, Dr. Acunto has been a beacon of expertise in the emergency medicine field since 2011.

A graduate of the Philadelphia College of Osteopathic Medicine, his dedication to his craft is evident in his role as the Director for Emergency Services at AtlantiCare Regional Medical Center's City Division campus. His leadership has not only elevated the level of care provided to patients but has also inspired his colleagues to strive for excellence in their practice.

Board-certified in emergency medicine and a member of the American College of Osteopathic Emergency Physicians since 2006, Dr. Acunto's commitment to ongoing education and professional development sets him apart as a leader in his field. His completion of an executive juris doctorate degree at Concord Law School in 2019 further exemplifies his dedication to expanding his knowledge and skill set.

In addition to his clinical responsibilities, he plays a pivotal role in various committees at AtlantiCare Regional Medical Center, including peer review committees, the medical staff excellence committee, and the focused professional practice evaluation committee. His contributions to these committees have been instrumental in ensuring the highest standards of care and patient safety at the medical center.

Dr. Acunto's affiliation with Atlantic Emergency Associates further demonstrates his commitment to providing top-notch emergency medical services to the Atlantic City community. Patients and colleagues alike have praised him for his compassionate bedside manner, unwavering dedication to his patients' well-being, and his ability to remain calm and composed in high-pressure situations.
