

# Filipinos Amazed By Visayan Island's White Sand Beaches – Not Commercialized - Zero Light Pollution - GREAT STARGAZING

Boracay and Carabao Island—with white beaches and clear water—offer an unmatched blend of relaxation and adventure. A new stargazing observatory makes this a must-visit family experience for Filipino tourists and expats. "Beach Vibes & Starry Skies."

**Central Luzon, Philippines Jun 13, 2024 ([IssueWire.com](https://www.IssueWire.com)) - The Cosmo Lounge: A Stargazer's Paradise**

Located on Carabao Island and hosting only 16 to 20 guests per night, the Cosmo Lounge is home to the largest telescope in the Philippines, making it an ideal spot for astronomy enthusiasts. This 550-square-meter air-conditioned facility offers comfortable couches, oversized chairs, a bar, and a 180-inch projection screen connected to the roof-top telescope. Under the expert guidance of Kelvin Martinez, a former instructor at Rizal Technological University, visitors can enjoy the Night Sky Tour.

## **From Manila to Paradise**

Your adventure begins with a quick 45-minute flight from Manila to Boracay Airport. Upon arrival, representatives from the Cosmo Lounge will escort you to your accommodation at the Nigi Nigi Beach

Resort on Boracay. Whether you choose to stay for one night or longer, you can soak in the vibrant atmosphere of Boracay before heading to Carabao Island on a luxurious 48-foot sailing yacht.

### **A Warm Welcome on Carabao Island**

As you arrive on Carabao Island, you'll be greeted by the friendly staff of the Cosmo Lounge and taken to your accommodation at The Beach House Resort. This boutique hotel, with only eight rooms, ensures a personalized and intimate experience, with each room located just 20 meters from the beachfront.

### **Beachfront Fun and Adventure**

Carabao Island offers a plethora of exhilarating activities, from snorkeling and scuba diving amidst vibrant coral reefs and underwater caves, to fishing for impressive catches, cycling through scenic mountain trails, kayaking in serene waters, kite surfing and water sports, exploring secluded beaches and sea caves by boat, and discovering exotic wildlife and natural wonders like the stunning bat caves.

### **Evening Bliss and Stargazing**

As the day winds down, witness a breathtaking sunset from the privacy of the beachfront. At 6:30 pm, join the complimentary "All You Can Eat" beach fiesta BBQ, complete with a traditional Filipino roasted pig. Enjoy s'mores and drinks by the campfire and relish the company of new friends under the starry night sky.

### **The Grand Finale: The Cosmo Lounge Observatory**

At 9 pm, the highlight of your stay awaits at the Cosmo Lounge Observatory. Here, you can relax in the air-conditioned facility, sip your favorite drinks, and gaze at the cosmos displayed on a 180-inch screen. The observatory is situated in a designated zero-light pollution zone, ensuring unparalleled views of the night sky. Kelvin Martinez will guide you through the wonders of the universe, making the experience enjoyable for both novices and expert astronomers.

### **Discover the Hidden Gem**

Carabao Island, with its pristine beaches and stunning observatory, remains an undiscovered gem in the Philippines. Whether you're looking for adventure, relaxation, or an educational experience, this destination offers it all. So why not pack your bags and uncover the beauty and wonder that awaits just a short journey away?
