The Dedicated Real Estate Agent in Irvine, California Turning Dreams into Reality

New York City, New York Jun 7, 2024 ([IssueWire.com](https://www.issuewire.com)) - Peter Girgis, a licensed real estate agent with eRealty in Irvine, California, is making waves in the industry as he also serves as a branch manager at E Mortgage Capital. With a comprehensive approach and deep industry knowledge, he has proven to be a valuable asset to his clients and colleagues, achieving an impressive \$16 million in loan volumes and \$18 million in real estate sales.

Peter's professional journey began in the hotel industry, where he honed his customer service and interpersonal skills. However, his true passion lay in real estate and finance, leading him to make a career transition to Countrywide in 2003 as an Account Executive. It was at Countrywide that Peter was introduced to the mortgage industry, and he quickly found his niche in structuring loans and helping individuals achieve the American Dream of homeownership.

Transitioning to Great Western Home Loans as a Branch Manager, Peter sought to expand his expertise in various loan programs and enhance his management skills. As the market shifted from a refinance boom to a buyer's market, he and his team adapted by collaborating closely with real estate agents to assist first-time homebuyers in securing mortgages. Peter has been a guiding light for clients facing challenges during the Mortgage Crisis, offering support to those dealing with foreclosures, short sales, poor credit, and self-employed individuals navigating complex tax returns.

With Peter Girgis by your side, you can trust that your real estate journey will be a smooth and successful one. His commitment to his clients, coupled with his industry knowledge and experience, ensures that you will be well taken care of every step of the way.

From navigating the complexities of the real estate market to finally holding the keys to your new home, Peter Girgis is the dedicated professional who will make your homeownership dreams a reality.
