Reliable Paints Chooses BatchMaster ERP for Enhanced Business Efficiency

GUJARAT-BASED LEADING PAINT MANUFACTURER, RELIABLE PAINTS PLACES TRUSTS IN BATCHMASTER ERP

Vadodara, Gujarat Jun 17, 2024 (Issuewire.com**)** - BatchMaster Software, a leading provider of process ERP solutions, has announced its collaboration with **Reliable Paints**, a renowned paint manufacturer based in Vadodara, Gujarat. Impressed by BatchMaster's industry-specific solutions, Reliable Paints has selected **BatchMaster ERP** as their business management software.

[BatchMaster ERP](#) offers thoughtfully designed features that help manufacturing organizations digitize and streamline their operations while adhering to local and global regulatory guidelines. This enables companies to gain industry expertise and operate more efficiently.

Previously, Reliable Paints managed all operations manually using Excel sheets, a time-consuming and traditional approach. This led to several challenges, including inefficient planning, production delays, inconsistent product quality, and poor collaboration and communication among departments. Additionally, they relied on Tally for financial management, but its limitations prevented it from meeting the complex financial needs of the business accurately.

In search of a comprehensive solution, Reliable Paints aimed for proper production planning and scheduling, robust inventory management, and precise formulation. After extensive research, they found BatchMaster's [Paint ERP](#) to be the perfect fit, offering all the required functionalities.

BatchMaster ERP provides capabilities such as costing, **laboratory management**, **order entry** and **sales management**, **purchase order management**, [bill of materials](#), **batch ticket** and **production**, **GST calculation**, **GHS** and **SDS** label printing, and more. These features ensure a holistic solution for Reliable Paints' business needs.

Reliable Paints expects this association with BatchMaster ERP to resolve their underlying complexities and streamline production processes. **Mr. Sanjay Panjwani**, Managing Director of BatchMaster Software Pvt. Ltd., expressed gratitude for Reliable Paints' trust and assured that the implementation and support team will meet their expectations.
