

## Sigh Low Rapper releases a communicating song

**Nairobi, Kenya Jun 16, 2024 ([Issuewire.com](https://www.Issuewire.com))** - Sigh Low Rapper Releases Energetic and Intense New Track 'Vitu Wanapenda'

Sigh Low Rapper, the dynamic and passionate hip-hop artist from Nairobi, Kenya, is thrilled to announce the release of his powerful new single, 'Vitu Wanapenda'.

Sigh Low Rapper, born and raised in Nairobi, has gained recognition for his vibrant approach to music

and rap. As the 1st runners-up for the Hip Hop Artist of the Year at the 2023 Pride Of Kenya Awards, Sigh Low Rapper continues his impressive journey with his latest single. His earlier works, including the album "Revolutionary," released in April 2024, have set the stage for this exciting new release.

'Vitu Wanapenda,' which translates to 'Things They Love,' is a high-energy and intense reflection on modern music fans and their tendencies. According to Sigh Low Rapper, the song explores how contemporary listeners often focus on global hits, overlooking the rich musical heritage of their own country. The track pulses with an energetic beat and an intense rhythm, capturing the essence of societal reflections and the love dynamics within the music sphere.

Sigh Low Rapper shares a deeply personal connection to 'Vitu Wanapenda,' stating, "The song is a mirror held up to music lovers, showing the disconnect between their preferences and their cultural roots."

This release also highlights the collaborative efforts behind the scenes, with the talented Tommy Onyango contributing as a songwriter and the skilled Luq Speezy producing the track. These partnerships add depth and creativity, enriching the overall sound of 'Vitu Wanapenda'.

Fans of Sigh Low Rapper and new listeners alike can experience 'Vitu Wanapenda' on all major streaming platforms. Dive into this energetic and thought-provoking track today by streaming on your preferred service.
