

Thanigaiarsu Thiyagarajan, MD: A Dedicated Atrium Health Provider at Carolinas Medical Center

Experience and Expertise in Various Healthcare Settings Showcased in Patient-Centered Approach

New York City, New York Jun 26, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Thiyagarajan, a highly skilled healthcare provider at Atrium Health's Carolinas Medical Center in Charlotte, North Carolina, brings a wealth of experience and expertise to the medical field. With a background that spans different healthcare settings, he is committed to delivering top-notch care to his patients.

After completing his medical education at Stanley Medical College and Hospital in India, he pursued further training in the United Kingdom, immersing himself in competency and evidence-based medical practices in various university teaching hospitals. His dedication to continuous learning and professional growth led him to the United States, where he completed his internship and residency training at St. Vincent Mercy Medical Center Hospital, an affiliate of the University of Toledo Medical Center, Ohio in 2010.

Throughout his training, Dr. Thiyagarajan actively engaged in clinical and basic science research projects, showcasing his passion for advancing medical knowledge and patient care. His contributions have been recognized through presentations at national and international conferences, where he shared his insights and findings with fellow healthcare professionals.

As a board-certified internal medicine physician by the American Board of Internal Medicine, he upholds the highest standards of care and professionalism in his practice. He is a proud member of prestigious medical organizations such as the American College of Physicians, the American Medical Association, and the North Carolina Medical Society, where he collaborates with peers to stay abreast of the latest developments in the medical field.

Known for his patient-centered approach and compassionate bedside manner, Dr. Thiyagarajan is dedicated to building strong relationships with his patients and providing comprehensive, personalized care. His expertise in managing complex medical conditions and his commitment to excellence make him a valuable asset to the healthcare community at Carolinas Medical Center.
