

ValidProfile: India's First Advanced Pre-Verification Company Revolutionizes Job Market

Bengaluru, Karnataka Jun 9, 2024 ([Issuewire.com](https://www.issuewire.com)) - ValidProfile, India's leading job verification portal, proudly introduces the country's first advanced pre-verification system. This groundbreaking approach verifies candidates before they start their job search, assigning them a unique ID for employers to easily check their details.

Key Highlights:

- **60+ Awards and Recognitions:** Endorsements from prestigious institutes, companies, and colleges.
- **30,000 Registrations Annually:** The platform attracts 30,000 new candidates each year.
- **1,000+ Verified Candidates:** Over 1,000 candidates pass the stringent verification process annually.
- **10+ Top Training Centres:** Partnerships with leading training centres ensure candidates are job-ready.

- **30+ Trusted Companies:** More than 30 prestigious companies rely on ValidProfile for their hiring needs.
- **Educational Webinars:** Quarterly webinars engage 30,000+ students, totaling 1.2 lakh participants yearly.
- **Industry Recognition:** ValidProfile has received numerous awards and medals from top MNCs.

"We are thrilled to set new standards in the job search and recruitment process in India," said Hemanth, Co-Founder at ValidProfile. "Our pre-verification system benefits both job seekers and employers, ensuring a more efficient and trustworthy hiring process."
