

Vault Cares Network Partners with Beverly Hills Cancer Center and Optima Diagnostic Imaging

Leading the Way in Comprehensive Care

Bloomington, Illinois Jun 5, 2024 ([IssueWire.com](https://www.issuewire.com)) - [Vault Cares Network](#), a subsidiary of [Vault Strategies](#), proudly announces its strategic collaboration with [Beverly Hills Cancer Center and Optima Diagnostic Imaging](#), a union poised to redefine the standards of cancer care for its members.

Renowned for its unwavering commitment to excellence in oncology treatment, Beverly Hills Cancer Center brings a wealth of expertise to this collaboration. Their team of top oncologists and cancer specialists is dedicated to delivering cutting-edge treatments tailored to the unique needs of each patient.

Recognizing the challenges faced by cancer patients in navigating multiple facilities for diagnosis and treatment, Beverly Hills Cancer Center offers a broad solution. Members benefit from streamlined care, receiving consultations, diagnostic tests (including imaging), and treatment, all under one roof.

Arash Ari Gabayan, MD, representing Beverly Hills Cancer Center & Optima Diagnostic Imaging, affirms, "Our board-certified physicians are esteemed leaders in their fields, pioneering cutting-edge techniques to advance cancer treatment. Specializing solely in their respective disciplines, from medical

oncology to radiation oncology to diagnostic imaging, our experts collaborate closely as a multidisciplinary team. This ensures efficiently coordinated care towards a comprehensive approach with critically time-saving informed healthcare decisions for all types of cancer."

Through this strategic alliance, Vault Cares Network and Beverly Hills Cancer Center are dedicated to delivering state-of-the-art cancer interventions to patients worldwide. This partnership heralds a new era of therapeutic excellence, signaling a significant advancement in enhancing patient outcomes.

"We are delighted to join forces with Beverly Hills Cancer Center in our shared commitment to providing exceptional cancer care on a global scale," stated Dalton Jensen, Senior Vice President of Network Development for Vault Strategies. "This collaboration epitomizes our dedication to innovation and compassion in the fight against cancer."

About Beverly Hills Cancer Center and Optima Diagnostic Imaging

At the Beverly Hills Cancer Center, we have worked to create an environment that is both soothing and conducive to effective treatment. Driven by our unique model and goal to provide exceptional care, including advanced clinical trials, we have become a leading-edge private cancer diagnostic and treatment facility in not only Southern California but the world. By combining advanced diagnostic and treatment modalities and technologies, in a soothing environment with caring physicians and staff, we are able to provide maximum peace of mind for patients. While such things may seem like a luxury to some, here at the Beverly Hills Cancer Center we understand that a tranquil, stress-free environment is integral to the healing process. Read on to learn more about what makes us truly different than any other cancer care facility, and arguably one of the best cancer centers in the world. To learn more, visit www.BHCancerCenter.com.
