

Briana Calcagno-Davi, PsyD: Leading Pediatric Neuropsychologist in Staten Island and Manhattan

Specializing in Evaluating Children and Young Adults with Complex Medical and Neurodevelopmental Disorders

New York City, New York Jul 12, 2024 ([IssueWire.com](https://www.IssueWire.com)) - Dr. Briana Calcagno-Davi, a prominent pediatric neuropsychologist, is making a significant impact in the field of pediatric healthcare in Staten Island and Manhattan, New York. Her practice focuses on evaluating and treating patients dealing with cognitive, social, emotional, behavioral, adaptive, and academic challenges. She evaluates and treats

patients in both inpatient and outpatient settings, providing comprehensive care tailored to each individual's unique needs.

With a specialization in evaluating children and young adults with a diverse range of complex medical, neurodevelopmental, and psychoeducational disorders, she is renowned for her expertise and compassionate care. She also runs specialty clinics for pediatric patients with blood/cancer disorders, concussions/TBIs, and diabetes, ensuring that every child receives the specialized attention they deserve.

Throughout her academic career, Dr. Calcagno-Davi received a Bachelor's degree in Psychology & Studio Arts from Trinity College-Hartford, a Doctor of Psychology degree in School & Clinical Psychology from Kean University, and completed a clinical fellowship in pediatric Neuropsychology at NYU Langone Health. She is an active member of professional societies such as the American Academy of Pediatric Neuropsychology and the New York State Association of Neuropsychology.

In addition to her clinical practice, she is actively involved in research across a broad spectrum of clinical conditions. She has authored multiple publications and is a sought-after speaker at local, national, and international conferences. Dr. Calcagno-Davi's commitment to education is evident through her private and public educational lectures, her work as an adjunct professor, and her supervision of doctoral students at SIUH-Northwell Health.

When asked about her success, Dr. Calcagno-Davi attributes it to her unwavering dedication to improving the lives of every child she encounters. Her main driving force is ensuring that every child has the opportunity to live the best life possible.
