

Charles Nevels, MD: Leading Geriatric Psychiatrist at UAB Medical West Hospital

Specializing in Comprehensive Treatment for Elderly Patients in Bessemer, Alabama

New York City, New York Jul 8, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Nevels, a distinguished geriatric psychiatrist, is currently making a significant impact on the lives of elderly patients at UAB Medical West Hospital in Bessemer, Alabama. With extensive experience and expertise in the field, he employs a range of treatment methods tailored to each individual's unique needs, including medications, psychotherapy, and psychosocial interventions.

As a dedicated healthcare professional, he recognizes the importance of personalized care for elderly patients facing mental health challenges. With a compassionate approach, he addresses a wide array of conditions such as depression, anxiety, OCD, eating disorders, bipolar disorders, personality disorders, insomnia, ADD, and other mental illnesses.

In regards to his educational background, Dr. Nevels completed his medical degree at the prestigious Medical College of Georgia in 1975, followed by a residency in psychiatry at the renowned Menninger School of Psychiatry in 1978. His comprehensive training and continuous pursuit of knowledge have equipped him with the skills needed to provide high-quality care to his patients.

In his practice, he utilizes a holistic approach that integrates evidence-based treatments with a patient-centered focus. By combining medications, psychotherapy, and other therapeutic modalities, he strives to improve the quality of life for each individual under his care.

For elderly patients seeking expert psychiatric care in Bessemer, Dr. Nevels stands out as a trusted professional dedicated to providing comprehensive and compassionate treatment. His commitment to excellence and patient-centered approach make him a valuable asset to the healthcare community in Alabama.
