

Tadoba-Andhari Tiger Reserve (TATR) launches "Gallery for a Cause"

An Art and Nature Initiative to Boost Conservation Efforts on Global Tiger Day

Chandrapur, Maharashtra Jul 26, 2024 ([IssueWire.com](https://www.issuewire.com)) - Tadoba-Andhari Tiger Reserve (TATR) will be launching "Gallery for a Cause," a unique initiative designed to celebrate and promote the special relationship between art and nature. The inaugural exhibition will launch online on July 29, 2024, in honor of International Tiger Day, allowing a global audience to participate in this important cause.

Dr. Jitendra Ramgaonkar, Executive Director, said, " *Gallery for a Cause* is a testament to the powerful synergy between art and nature. Through this initiative, we aim to inspire a deeper appreciation for our natural world and mobilize resources for the conservation of the majestic tiger and its habitat. The objective is to spread awareness about conservation efforts while generating self-sustaining funds to support the ongoing preservation of our precious wildlife and natural habitats."

Following the online launch, the first offline exhibition will take place in Chandrapur on August 15, 2024. Subsequent phases of the exhibition will travel to major cities including Mumbai, Pune, and Nagpur, broadening its reach and impact.

'Gallery for Cause' is an exhibition-cum-sale featuring stunning photographs, sourced from local, national and internationally acclaimed photographers, and captures the spellbound beauty of the Tadoba landscape. Art enthusiasts, conservationists, and the general public get the opportunity to symbolically acquire a piece of Tadoba's natural splendour by purchasing the featured photographs and to contribute to the conservation efforts of TATR.

The Tadoba-Andhari Tiger Reserve, located in Maharashtra, India, is one of the country's premier wildlife sanctuaries. It is home to a rich diversity of flora and fauna, including the magnificent Bengal tiger. The reserve is committed to the conservation and protection of wildlife through various initiatives and community engagement programs.
