

Yeissen Godinez, MD, FACP: A Leader in Patient Care and Medical Education in South Florida

Setting New Standards for Quality Patient Care

New York City, New York Jul 1, 2024 ([IssueWire.com](https://www.IssueWire.com)) - Dr. Godinez, a highly respected board-certified internist and Fellow of the American College of Physicians, has been making waves in the medical community for his dedication to patient care, medical education, and leadership. Currently affiliated with HCA Florida Kendall Hospital, he serves as the Associate Program Director of the Internal Medicine Residency, Associate Medical Director of Hospital Medicine, and Vice Chairman of Medicine.

Raised in South Florida, his journey into the field of medicine began with a strong academic foundation in chemistry, electron microscopy, and business at the University of Miami. His passion for medicine led him to Ross University, where he earned his medical degree and embarked on a fulfilling career as an internist.

Subsequently, Dr. Godinez completed his residency training at Kendall Regional Medical Center, where he excelled and served as Chief Resident in his final year of training. His commitment to education has been recognized with prestigious awards, including Clinical Assistant Professor of the Year at NSU College of Medicine and Teaching Attending of the Year at Kendall Hospital for three consecutive years.

Beyond his clinical and teaching responsibilities, he is actively involved in research, publication, and academic presentations. He firmly believes in the importance of advancing science through scholarly pursuits and is a respected clinical researcher. His commitment to academic excellence is further demonstrated by his role as a judge for the American College of Physicians, where he upholds the highest standards of professionalism and scholarship.

Dr. Godinez's impact on patient care, medical education, and leadership in South Florida is truly remarkable. His tireless dedication to excellence and passion for internal medicine make him a standout figure in the medical community.
