

Demetri P. Ginosatis, DMD, MSD: A Trusted Name for Superior Dental Care in Washington

Utilizing Innovative Techniques to Enhance Oral Health at Woodinville Periodontics and Implant Specialists

New York City, New York Aug 8, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Demetri P. Ginosatis, a highly esteemed board certified periodontist and dental implant specialist, is at the forefront of revolutionizing patient care through his expertise in minimally invasive periodontal and implant microsurgery techniques. Alongside his dedicated team at Woodinville Periodontics and Implant Specialists, Dr.

Ginosatis is committed to improving the oral health and overall well-being of his patients through cutting-edge procedures and compassionate care.

Originally hailing from Bothell, Washington, Dr. Ginosatis embarked on his academic journey by obtaining a Bachelor of Arts Degree from the University of Washington in Seattle. His passion for dentistry led him to pursue a Doctor of Medicine in Dentistry Degree from the University of Kentucky College of Dentistry, where he honed his skills and knowledge in the field.

With a focus on soft tissue grafting and periodontal plastic surgery, Dr. Ginosatis completed a rigorous three-year residency at the University of Washington, culminating in the attainment of a Master of Science in Dentistry Degree. During his residency, he underwent comprehensive training in various facets of periodontics, including esthetic implant surgery, bone grafting, sinus elevation, osseous surgery, esthetic and functional crown lengthening, soft tissue grafting, full mouth implant rehabilitation, as well as Botox administration.

As a leader in his field, Dr. Ginosatis currently serves as the treasurer of a professional study club, where he imparts his expertise to fellow colleagues and fosters interdisciplinary collaboration. His credentials as a Diplomate of the American Board of Periodontology underscore his commitment to upholding the highest standards of patient care and professional excellence.

Dr. Ginosatis' professional affiliations are extensive, including active membership in the American Academy of Periodontology, the American Dental Association, the Washington State Dental Association, the American Dental Education Association, the Seattle-King County Dental Society, and the international dental fraternity, Delta Sigma Delta. He attributes his success to his unwavering dedication to quality patient care, continuous education, innovative procedures, and cutting-edge technology, as well as his ability to overcome challenges.

Beyond his professional endeavors, Dr. Ginosatis finds solace in the great outdoors, indulging in pursuits such as fly fishing, backpacking, and skiing. His dedication to his craft, coupled with his passion for outdoor adventures, exemplifies his holistic approach to life and patient care.
