

Nicole Payne, MD, RMSK, Leading Physiatrist in Musculoskeletal Care, Joins Berkshire Medical Center

Bringing Two Decades of Expertise to Enhance Physical Medicine & Rehabilitation Services

New York City, New York Aug 8, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Nicole Payne, MD, RMSK, a board certified physiatrist specializing in adult outpatient musculoskeletal care, is affiliated with Physical Medicine & Rehabilitation Services, a clinic of Berkshire Medical Center in Pittsfield, Massachusetts. Her comprehensive services encompass a wide range of musculoskeletal evaluations and treatments, including peripheral musculoskeletal evaluation, amputee clinic, spasticity management, neuromusculoskeletal diagnostic ultrasounds, fluoroscopic hydrodistension, genicular nerve blocks, joint injections, and injections for Dupuytren's Contracture of the hand.

After earning her Medical Degree from The University of Toledo College of Medicine and Life Sciences in 2003, Dr. Payne completed her residency at The University of Toledo Medical Center in 2008. She furthered her expertise through an interventional spine and sports medicine fellowship at Michigan Sports & Spine Center in 2016.

Dr. Payne is double board certified in physical medicine and rehabilitation and brain injury medicine, holding Diplomate status with the American Board of Physical Medicine and Rehabilitation. She maintains active memberships with prestigious organizations such as the American Academy of Physical Medicine and Rehabilitation and the American Institute of Ultrasound in Medicine, alongside being Registered in Musculoskeletal Sonography (RMSK).

A resident of the Berkshire community, Dr. Payne engages in various activities such as the theater district, arts and crafts, and archery while supporting local initiatives. In her leisure time, she indulges in quilting and painting, with a special affinity for spa treatments.

Dr. Nicole Payne's commitment to excellence and patient-centered care make her a valuable addition to Physical Medicine & Rehabilitation Services at Berkshire Medical Center. Patients seeking high-quality musculoskeletal care can now benefit from her expertise and compassionate approach.
