

## Samir Khouri, MD: A Leading Voice in Pulmonary Medicine in Northern Virginia

Improving Lives Through Compassionate Care and Innovative Treatment Strategies

**New York City, New York Aug 21, 2024 ([Issuewire.com](https://www.issuewire.com))** - Dr. Khouri, a distinguished pulmonologist and the Medical Director at Inova Select Specialty Hospital in Alexandria, Virginia, is making significant strides in the treatment of adults with complex respiratory illnesses. With over 20 years of experience, Dr. Khouri is committed to enhancing the well-being and quality of life of patients requiring long-term ventilator support and advanced respiratory care.

In regards to his educational background, he received his medical degree from Damascus University, followed by a residency in Internal Medicine at Case Western Reserve University. He further honed his expertise through a fellowship in Pulmonary and Critical Care at George Washington University. His board certifications from the American Board of Internal Medicine in both Pulmonary Disease and Critical Care Medicine underscore his extensive knowledge and commitment to excellence in the field.

Recognized as a Fellow at the American College of Chest Physicians, he contributes to the advancement of pulmonary medicine through research and education. His involvement in the medical community ensures that he remains at the forefront of the latest advancements in respiratory care.

Throughout his career, Dr. Khouri has built a reputation for establishing long-term relationships with his patients, focusing not only on managing their conditions but also on disease prevention and achieving their personal healthcare goals. His comprehensive approach to care ensures that each patient receives individualized treatment, tailored to their unique needs.

Over the years, he has achieved remarkable success in liberating patients from mechanical ventilation and enhancing their overall quality of life. His commitment to hard work, passion for pulmonary medicine, and unwavering dedication to his patients have been the cornerstone of his success.
