

## Arykas and Ybots Clients Celebrate Their Performances in Robert LaSardo's Directorial Debut Film, "American Trash"

The film, which premiered on September 10, 2024, is now streaming on major platforms including Amazon Prime Video, Apple TV, COX Cable, Dish Network, INDEMAND, and PLEX.

**Hollywood, California Sep 12, 2024 ([Issuewire.com](http://Issuewire.com))** - Arykas and Ybots is proud to announce the successful release of "American Trash," the directorial debut of renowned actor Robert LaSardo. The film, which premiered on September 10, 2024, is now streaming on major platforms including Amazon Prime Video, Apple TV, COX Cable, Dish Network, INDEMAND, and PLEX.

"American Trash," written and executive produced by LaSardo, features an ensemble cast including several Arykas and Ybots clients who deliver powerful performances. Emilio DiFabio, Dawna Lee Heising, Sasha Kerbel, Mia Rivera, Tom Anderson, Chance Wilder Onody, Will B, and Raymond Williams all contribute their talents to this gritty crime thriller set in Los Angeles.

The film stars Robert LaSardo, Costas Mandylor, and Lorelei Linklater, and notably includes one of the final performances by the late Tom Sizemore, known for his role in "Saving Private Ryan". LaSardo, known for his memorable roles in "Nip/Tuck" and "The Mule," steps behind the camera for the first time in this directorial venture, bringing a fresh and bold vision to the screen. The film explores the complex dynamics of crime, loyalty, and redemption, and has already sparked significant interest among audiences and critics alike.

"American Trash" explores the decaying world of Los Angeles, depicting a city in the grip of environmental ruin, chaos, and a rampant drug epidemic. The story follows Milles Carpis (LaSardo) as

he navigates this tumultuous landscape, seeking justice for the murder of the woman he loves while being guided away from violence by a group of new-age hippie friends. Produced by Diana Ramos Santiago Carter and Josh Webber.

"We are incredibly proud of our clients and their outstanding contributions to 'American Trash,'" said a spokesperson for Arykas and Ybots. "Their performances add depth and authenticity to a film that is already rich with powerful storytelling. We are excited for audiences worldwide to experience the hard work and talent that has gone into making this film a success."

Arykas and Ybots congratulates all involved in this groundbreaking project and invites audiences to experience "American Trash" on their preferred streaming platform.
