Ashish Jain, a world-renowned Fund Manager and CEO of Fortune Capital, Fortune Wealth, and the newly launched Alieus Hedge Fund, continues to make significant waves in the financial world while

expanding his philanthropic efforts. Recognized as one of the Top 25 Fund Managers globally in 2023, Jain is deepening his charitable initiatives with a focus on supporting underprivileged children. His Charitable Trust is providing educational resources and opportunities for growth, exemplifying his dedication to creating both financial and social impact.

A Leader in Global Finance

With over 15 years of experience, Ashish Jain has firmly established himself as a leader in the financial sector. He holds a Master's in Finance from the UK and is a CFA Charterholder, positioning him as a visionary in the world of finance. As the driving force behind Fortune Capital and Fortune Wealth, Jain's firms have achieved international recognition. In 2019, Fortune Capital won the Best Newcomer Brokerage House award in Dubai from International Finance, while Fortune Wealth continues to deliver innovative liquidity management and capital market solutions across the globe.

His expertise in client relations and market insights has earned him prestigious awards, including the Global Forex Award for Best Client Experience in 2020 and the Best Forex Customer Service Provider Award from the Finance Derivative Awards in 2022. Jain's exceptional ability to understand market trends and deliver personalized financial solutions has solidified his position as one of the most respected fund managers worldwide.

Alieus Hedge Fund: Innovating the Future of Finance

Expanding his portfolio of financial innovations, Jain recently launched Alieus Hedge Fund, a firm that focuses on high-growth sectors, alternative assets, and market-disruptive strategies. With a core emphasis on risk-adjusted returns and emerging markets, Alieus Hedge Fund is poised to redefine hedge fund management by exploring groundbreaking investment opportunities. The hedge fund is now expanding its reach in Latin America, backed by \$40 million and growing. This strategic expansion aims to capitalize on the region's untapped potential, delivering significant returns to investors.

"We are in a transformative phase in global finance where identifying disruptive sectors and leveraging alternative assets is essential," said Jain. "Alieus Hedge Fund is designed to help investors navigate this new landscape, providing opportunities for long-term growth while maintaining disciplined risk management."

Ashish Jain's Six Sigma Black Belt certification brings added operational efficiency to the fund, ensuring that risks are minimized and returns maximized.

A Philanthropist Committed to Social Impact

Beyond his financial success, Jain is deeply committed to philanthropy. His Charitable Trust, focused on underprivileged children, provides them with essential educational support and opportunities to thrive. Jain's belief in giving back to society is a core part of his ethos. "Financial success is important, but making a difference in the lives of others is equally crucial," he emphasized.

A Global Influencer in Finance and Philanthropy

In recognition of his influence in global finance, Jain was invited to meet former U.S. President Barack Obama in 2023, further underscoring his leadership in both the financial and philanthropic spheres. Ashish Jain's journey is marked by his dual focus on innovation in finance and his dedication to social responsibility, making him a global leader and philanthropist. [Alieus Fund](#)
