

Bilal H. Lashari, MD, Joins Temple Lung Center as Expert Pulmonologist

Enhancing Patient Care at One of the Nation's Premier Lung-Disease Research Centers

New York City, New York Sep 6, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Bilal H. Lashari a distinguished pulmonologist, practices at the Temple Lung Center, located within Temple University Hospital - Main Campus in Philadelphia, Pennsylvania. With a commitment to enhancing the quality of life for patients suffering from lung diseases, Dr. Lashari is set to contribute his expertise to one of the leading institutions in lung disease research and treatment.

The Temple Lung Center is renowned for its comprehensive approach to diagnosing and treating a wide array of lung conditions, including asthma, chronic obstructive pulmonary disease (COPD), interstitial lung disease, and lung cancer. The center is also recognized for its innovative clinical trials and cutting-edge treatment options, ensuring that patients have access to the latest advancements in pulmonary medicine. Furthermore, the center boasts one of the most active lung-transplant programs in the United States, featuring a team of nationally recognized transplant surgeons dedicated to providing patients with critical life-saving procedures.

Dr. Lashari earned his Medical Degree from Shifa College of Medicine in Pakistan before relocating to the United States. He completed his residency in internal medicine at Abington-Jefferson Health, followed by a fellowship in pulmonary and critical care medicine at Temple University Hospital. His extensive training equips him with the knowledge and skills necessary to address complex pulmonary issues.

As a board certified physician in both internal medicine and pulmonary disease, Dr. Lashari is recognized as a Diplomate of the American Board of Internal Medicine. His dedication to education and research is evident in his role as an Assistant Professor of Clinical Thoracic Medicine and Surgery at the Lewis Katz School of Medicine at Temple University, where he mentors and trains the next generation of healthcare professionals.
