Championing Homeownership, Property Investment, and Community Support in Norfolk, Virginia

New York City, New York Sep 10, 2024 ([IssueWire.com](https://www.IssueWire.com)) - Greg Zinis, a passionate realtor with Own Real Estate, is redefining the real estate experience for buyers and sellers in Norfolk, Virginia. With a commitment to placing his clients' best interests at the forefront of every transaction, Greg combines his extensive knowledge of home renovation and sales with innovative solutions that empower families to

achieve their homeownership dreams.

Born and raised in the scenic town of Marquette, Michigan, Greg made his way to Virginia Beach in 2009 after graduating from Ferris College of Pharmacy. He became an integral part of the local community as a pharmacist and has been deeply involved in real estate since purchasing his first home in 2010. Greg's passion for real estate was further ignited by a renovation project on his home in Norfolk's Ocean View, where he discovered the transformative power of real estate.

In 2021, Greg took a voluntary year off to focus on his growing family and immerse himself in real estate investing. This pivotal experience reinforced his desire to become an agent, allowing him to help others navigate the complexities of the real estate market. Joining Own Real Estate provided Greg with a supportive team environment that fosters mentorship, growth, and a shared commitment to positively impacting the local community, particularly through initiatives supporting veterans.

Greg's approach to real estate is characterized by his openness, honesty, and strong work ethic. He believes that every family deserves the opportunity to experience the joy of homeownership, and he is dedicated to making that a reality for his clients. Outside of his professional life, Greg enjoys a fulfilling personal life with his wife, Ashley, and their four wonderful children, including three sons and a daughter. The family resides on the beautiful Chesapeake Bay, where they take pleasure in attending local festivals and enjoying the region's fresh seafood.
