Nurturing Innovation, Branching Out Success.

**Mumbai, Maharashtra Sep 18, 2024 ([IssueWire.com](https://www.issuewire.com))** - Innovit Tree Solutions, a leading provider of IT services, proudly celebrates its third anniversary with the announcement of its expansion into new service areas. Since its inception in September 2021, Innovit Tree Solutions has become a trusted partner for businesses by offering a range of services, including IT rentals, software development, digital marketing, and third-party payroll and IT outsourcing solutions. Now, in 2024, the company expands further with the launch of *InnoLeaf* and *InnoRent*.

**InnoLeaf by Innovit Tree Solutions** introduces premium vacation rental services with a focus on Goa, providing travelers with high-quality stays and offering self-drive car rentals and taxi services. Whether guests are seeking a relaxing vacation or a seamless travel experience, *InnoLeaf* is designed to cater to a variety of needs, making it a one-stop solution for holidaymakers.

“InnoLeaf is all about creating memorable experiences, combining luxurious accommodations with convenient travel options. Our goal is to provide guests with the finest in both hospitality and transportation,” said **Siddhant Kulshrestha**, Founder and CEO of Innovit Tree Solutions.

Simultaneously, Innovit Tree Solutions is enhancing its tech service offerings with the launch of **InnoRent**, a dedicated IT rental service catering to businesses and individuals in need of temporary access to laptops, PCs, and other tech equipment. With flexible rental options and nationwide service, *InnoRent* is poised to address the growing demand for short-term IT infrastructure.

“*InnoRent* is designed to meet the needs of today’s fast-paced business environment, where flexibility and access to the right technology are critical. Our goal is to make high-quality tech solutions easily accessible to clients,” added **Siddhant Kulshrestha**.

Since its founding in 2021, Innovit Tree Solutions has also been a key player in providing **third-party payroll services and IT outsourcing solutions**. These services enable businesses to streamline their payroll processes and efficiently manage their IT requirements by leveraging Innovit Tree Solutions’ expertise in the field.

The addition of *InnoLeaf* and *InnoRent* in 2024 demonstrates the company’s commitment to diversifying its offerings, creating innovative solutions across a variety of industries while maintaining its core focus

on IT services, outsourcing, and payroll management.
