New York City, New York Sep 5, 2024 ([IssueWire.com](https://www.issuewire.com)) - Julie Longtin, the esteemed Owner and Broker “Consultant” at Cityside Properties in Providence, Rhode Island, leads with over 32 years of experience in the real estate industry. She expertly navigates both residential and commercial transactions, including land and investment properties, providing clients with unparalleled service and expertise.

With a rich background in finance and certifications as a real estate negotiating expert, broker, and appraiser, Julie is uniquely equipped to meet the diverse needs of her clients. Her passion for real estate is deeply rooted in her family’s legacy; both her father and stepfather were successful professionals in the field, instilling in her the values of hard work and dedication.

Julie’s illustrious career includes obtaining her appraiser license, which laid a solid foundation for her subsequent transition to a broker role with RE/MAX, LLC. Her exceptional performance earned her induction into the RE/MAX Hall of Fame for Rhode Island in 2004, further highlighted by a feature in Money Magazine’s “After the Boom” in 2006. Her accomplishments continued to garner recognition, including a citation from former Providence Mayor Angel Taveras in 2011 and a ranking as one of the Top 10 Commercial Real Estate Brokers in Providence by the CoStar Group in 2014. From 2010 to 2015, Julie owned and operated her own RE/MAX firm, as well as served on the Board of Directors of the State-Wide Multiple Listing Service for 2022, solidifying her reputation as a leading figure in the industry.

She actively engages with buyers, sellers, banks, and investors, and aims to expand the company’s reach while making significant contributions to the industry.

Amid the challenges of COVID, Julie didn’t just adapt—she thrived. She earned her license as a real estate instructor in both Rhode Island and Massachusetts and became a published author of cutting-edge real estate courses. Today, she is leveraging this wealth of knowledge to revolutionize the industry with the innovative “CLS” method, seamlessly blending Consulting, Leasing, and Sales to deliver a fresh, holistic approach to real estate.

Julie credits her success to her resilience, determination, authenticity, and adaptability in an ever-evolving market. She believes in the transformative power of real estate and enjoys positively impacting her community through her involvement with local organizations.

In her free time, Julie enjoys boating, practicing yoga, traveling, and cherishes her role as a proud mother to her son and daughter.
