

Serge Somrov, MD: Leading Radiologist at NYC Health + Hospitals, Enhancing Patient Care in New York City

Expert in Body Imaging and Nuclear Medicine Brings Extensive Experience to Local Healthcare Community

New York City, New York Sep 16, 2024 ([IssueWire.com](https://www.issuewire.com)) - A devoted radiologist, Dr. Somrov is a member of the esteemed team at NYC Health + Hospitals, bringing over 15 years of specialized experience in diagnostic imaging and nuclear medicine. He is now practicing at both NYC Health + Hospitals/Queens and NYC Health + Hospitals/Elmhurst, where he is committed to providing high-quality, compassionate care to the diverse patient population of New York City.

His extensive educational background includes a fellowship in Body Imaging at NY Presbyterian-Weill Cornell Medical Center, completed in 2008, as well as a residency in Nuclear Medicine at Weill College of Medicine/Cornell University in 2004, and another in Diagnostic Radiology at Bronx-Lebanon Hospital Center in 2007.

Previously, Dr. Somrov completed an internship in Internal Medicine at Maimonides Medical Center in 2002, following his medical education at Tel Aviv University - Sackler School of Medicine, where he graduated in 2001. Additionally, he holds a Master's degree in Biology from New York University, earned in 1997.

Following his training, the doctor attained board certification in both Nuclear Medicine and Diagnostic Radiology, confirming his expertise and commitment to the highest standards in medical imaging. His diverse experience makes him a valuable asset to the NYC Health + Hospitals community, where he will utilize advanced imaging techniques to diagnose and treat a range of medical conditions.
