show the biggest historical fraud, carried out by China Prc since 1974, with the false attribution of the Necropolis of Terracotta Army of X'ian, by Chairman Mao Tse Dong, due his cult of personality ,to change narrative of Chinese Civilization, to revamp chinese citizens mood, after the fail of the big jump.

The research show the detail of the deliberate demolition from china prc of a christian catholic dome, wrapped in a christian cross ,to erase any sign of christianity of the necropolis and age, due Chairman Mao Tse Dong hostility against western values.

Terracotta Army Necropolis was a clandestine project realized in the XVIII century by the Qianlong emperor, under the direction of the jesuit architect Giuseppe Castiglione , now to be identified a christian sanctuaty of 47 sqkm. ,representing christ second coming.

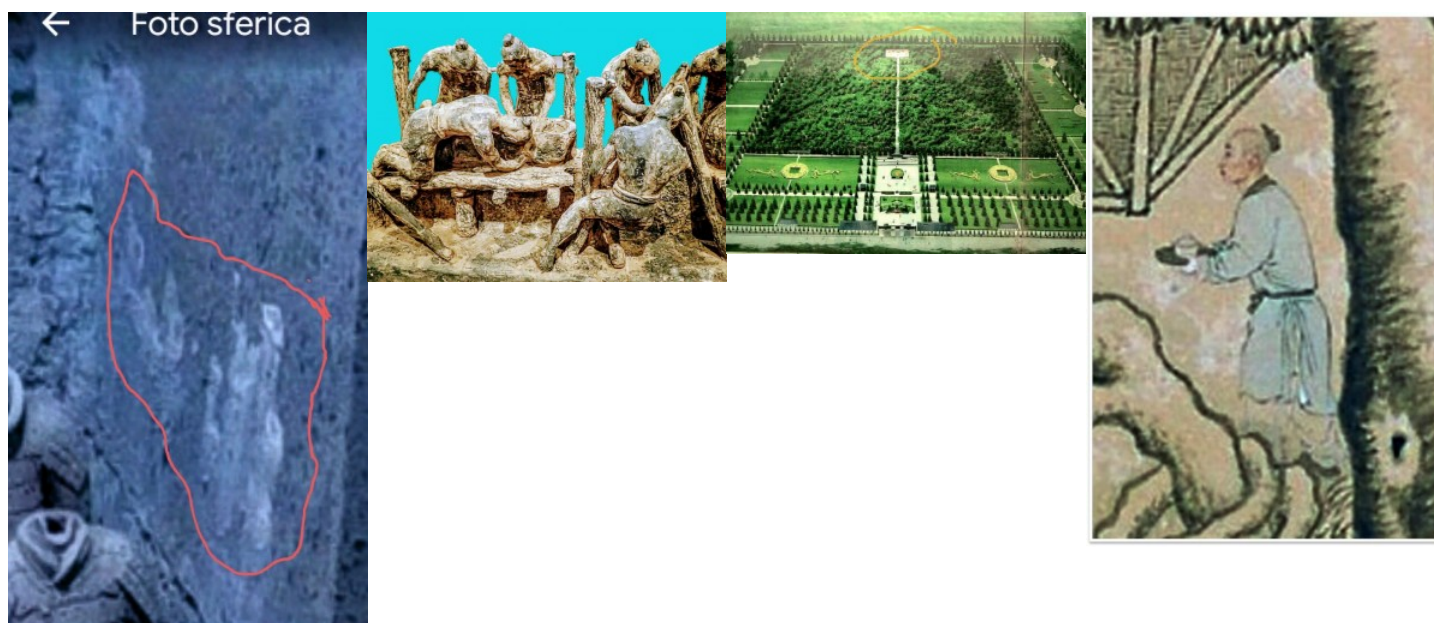

Digital technology ,the some modelof nasa, was utilized to detect inside of the necropolis :christian bas relief,drawings,etcking,engraving and statue, realized with tromp l'oeil technique, introduced by the jesuit in 17th century in china.

Google AI was used as well, to find what china hidden for 50 years:the picture of the dome demolished

in 1974, by China Prc, published in 2019 by Chinese Tv cctv on his web portal, this show the existence of dome wrapped in a christian cross in 1974.

The research show also ,chairman of china prc mao tse dong decision to change chinese history narrative unilaterally as admirer of the first Chinese Emperor Qin Shi Shuangdy ,confirmed on his speech at the second plenum of prc prc party ,held in beijing in october 1958, quote : scoffing ,you democrats say we are a dictator like the the first emperor, how great he was, we are worst than him, we buried 1600 confucian scholar ,he only 650, we are worst than him...violence is necessary to reach a target.

China Prc should search an amicable solution of this embarassing case against international community, thru the intervention of United Nation Assembly.
