New York City, New York Oct 30, 2024 ([IssueWire.com](https://www.IssueWire.com)) - Ethos Interactive Media proudly unveils the International emergent edition of its 'Art of Living Well, By Design' luxury vetted resource digital magazine, featuring multi hyphenate Fashion Designer, Model, Humanitarian, Rebecca Eckhart, making global impact on the fashion industry.

This special issue, dedicated to International Impact, offers a comprehensive exploration of Rebecca's humanitarian approach to creating her very first fashion collection, with a particular emphasis on her unwavering commitment to ending the poverty cycle in her childhood community of Jinja, Uganda.

Rebecca Eckhart, celebrated for her keen eye for fashion design details and luscious patterns, graces the cover and provides exclusive insights into her exclusive collection, modeling many of her pieces in the shoot with photographer, Lance Miller:

- Inaugural Fresh Face of Fashion: Rebecca models distinctive pieces in her new line created to provide financial sustainability in her childhood community, while sharing her story of inspiration and passion to continue to serve seniors through her advocacy.

- Sustainable Practices: Through her zero-waste approach to fashion design, Rebecca shares how she designs sustainable practices into her collections.

- On Life, Love and Sourcing: Readers are treated to the special bond between her and husband, John, which led to their shared goals of bringing her collection to fruition by way of supporting Jinja artisans and textiles.

"Rebecca Eckhart was chosen as our inaugural International Fresh Face of Fashion for her impactful and refreshing approach to fashion design and modeling," said Kelly Schellert, Founder / CEO of Ethos Interactive Media and Ethos Design Collective. "Her global humanitarian efforts embody the spirit of the Collective, leading with the heart, to put other's needs first and thinking of the strength of a community above individual needs. We are proud to highlight her contributions to society and the fashion world through her unique artistic expression, kindness and compassion."

This International emergent edition not only honors Rebecca Eckhart but also features a rich collection of stories focusing on emerging shifts in trends for wellness and luxury at a global scale:

- Art and Culture:

Artisan Spotlights, highlighting the talented works of Lance Miller Photography and jewelry/textile fashion designer, Manya Nofal, with international models showcasing fashion pieces by Oscar de la Renta, Halston Heritage and furs by Gorski Outerwear. Shot by Lance Miller Photography, at Niemann, Manya's team of celebrated models, hair and makeup offer up her nature-inspired designs as the 'it' pieces of the season.

Ethos Designer Trystin Kier's new plate collection launch at Bergdorf Goodman celebrates global culture and innovative artistry with humble roots.

Red Carpet Runway Gala to benefit BFW:

Kasandra Henry and Lance Miller attend the Boise Fashion Week Red Carpet Gala on behalf of ETHOS, moving and grooving with the Makers and the Shakers of BFW.

- Interior Design Mastery:

Innovative Collaborations: Celerie reveals details of her new line with Woodbridge and Taylor King, showcasing her dedication to stylish yet sustainable home furnishings

Plus, we shine a light on Neuroaesthetics, the emerging field making waves in interior design, and the Neuro academy created by Linda Kafka, whose mission it is to educate designers on the importance of utilizing science in design and neuroaesthetics for environmental wellbeing, and how to do it.

-Award winning publisher and CEO of Wealthy Women Entrepreneurs Network, Charlotte Howard Collins, shares tips for building wealth with financial literacy through design investments, as well as harnessing emerging tech in design for greater profit. (Visit the Ethos Interactive Media website for Wealthy and Well Workshops).

- Tactical Integrative Wellness Approach to Beauty: Former Mrs. United States, Brea Sharron Estep shares her story and the importance of a holistic, inside-out, approach to outer beauty for ultimate wellbeing.

-Globally Inspired #ethoseyeondesign: Ethos Founder /CEO. Kelly Schellert crafts ai interior design to honor (and inspired by) the Ethos International designer members, Fernanda Cunha, Ana Santos, Nisha Tailor, Ilse Bernard, Rydhima Brar, Tiffany Cassidy and Maria DeGange, as well as their cultural roots and design style.

- Fashion Forward: Exclusive fashion insights from emerging talents like Rebecca Eckhart, wearable, sustainable formal fashion from Shaun Muscolo and the culturally inspired fashion pieces of Oxana Ake with highlights from Boise Fashion Week.

Additionally, Schellert creates interior designs inspired right off the runway from fashion designers such as Carrie Kranz and Oxana Ake, among others. She shares the many pieces that go into turning design inspiration into reality, that are better left to professional designers like that of the Ethos Design Collective.

-Tech Forward: The need-to-know software and tech trends changing the landscape of fashion and interior design, as told by Charlotte Howard Collins, Niko Katsantonis (3D fashion software) and Ethos elite luxury interior designer member, Ellie Redders (virtual reality software for interior design).

-Real Estate and Mortgage tips from luxury Realtor Kasandra Henry and Premier Mortgage associate, Kimberly Zweiger plus luxury listing from Kara Christian.

Ethos Interactive Media and Ethos Design Collective is honored to present this meticulously curated issue, celebrating the pinnacle of luxury and wellness design and an exclusive directory of Ethos vetted luxury interior designers.
