

Avatar Construction Shares Hope: Supporting the Homeless in Watertown This Holiday Season

CEO Nazar Vincent Calls on Community to Support Local Efforts Ahead of the Holidays

Watertown, Massachusetts Dec 9, 2024 ([IssueWire.com](https://www.IssueWire.com)) - As the holiday season approaches, Avatar Construction, a leading construction and real estate development company based in Watertown, is launching a new initiative to raise awareness about homelessness in the community. CEO Nazar Vincent is urging local businesses and residents to join forces in supporting those in need during this critical time of year.

"The holidays should be a time of warmth and joy for everyone, but for many in our community, it's a period of uncertainty and hardship," said Vincent. "We have a responsibility to help our neighbors who are facing homelessness, and together, we can make a meaningful difference."

According to recent data from the Massachusetts Coalition for the Homeless, over 18,000 people experience homelessness in Massachusetts on any given night. In Watertown and the greater Boston area, the lack of affordable housing and rising living costs have contributed to an increase in individuals and families without stable shelter.

Avatar Construction's initiative aims to:

- **Raise Awareness:** Educate the public about the realities of homelessness through social media campaigns and community events.
- **Collect Donations:** Organize a holiday drive to gather essential items such as warm clothing, blankets, and non-perishable food for local shelters.
- **Support Local Organizations:** Partner with nonprofits like the Watertown Homeless Coalition to amplify their efforts during the busy holiday season.

"It's not just about providing temporary relief; it's about fostering a sense of community and showing compassion," Vincent emphasized. "By supporting local organizations, we can ensure that our contributions have a direct impact on those who need it most."

Community members are encouraged to participate in the following ways:

- **Donate Items:** Drop off new or gently used coats, gloves, hats, and scarves at Avatar Construction's office located at 60 Arsenal Street, Watertown, MA.
- **Volunteer Time:** Sign up to assist at local shelters and soup kitchens during the holiday season.
- **Spread the Word:** Use social media platforms to share information and encourage others to get involved using the hashtag #WatertownCares.

In addition to the donation drive, Avatar Construction will be hosting a community event on December 10th at the Watertown Public Library. The event will feature speakers from local shelters, testimonials from individuals who have experienced homelessness, and information on how to support ongoing efforts.

"Our goal is to inspire action," said Vincent. "Even the smallest contribution can have a significant impact on someone's life. Let's come together to ensure that everyone in Watertown has a safe and

warm holiday season."
