

Chennai to Host the Prestigious Global Startup Summit 2024: A Premier Gathering of Innovators and Entrepreneurs

Connect with over 400 delegates, gain insights from 45+ expert speakers, network with 25+ investors, and celebrate excellence with 10+ prestigious awards at this premier B2B event

Chennai, Tamil Nadu Dec 4, 2024 ([IssueWire.com](https://www.issuewire.com)) - The Global Startup Summit is set to take place in Chennai on December 7 at the Holiday Inn Chennai OMR IT Expressway. Bringing together investors, industry leaders, and startup founders, the event promises a dynamic day of networking, knowledge-sharing, and business scaling opportunities.

With over 400 startup delegates expected to attend, the summit will feature thought-provoking panels and interactive networking sessions. Key focus areas include Startup-Investor Networking, PropTech, HealthTech, D2C brands, and SaaS companies. Attendees can also engage in specialized forums like the HealthTech Summit, offering deep insights into industry advancements and equipping participants with actionable strategies for growth.

The conference is supported by key partners who enhance the experience. Mojo Capital offers investment banking expertise, while 100X Brands manages PR and media outreach. Global Startups Club connects attendees to a dynamic entrepreneurial ecosystem. Intelinovex brings process automation and business intelligence solutions, and Henosis Care promotes wellness with their essential oil blends. Akshayakalpa, India's first certified organic dairy, blends science with tradition. 1INME simplifies online growth for businesses and creators, and Picasso Parri combines luxury and affordability, crafting pens that symbolize legacy. These partners elevate the summit's impact.

Sourabh Jain, Founder of The EleFant.Ai will grace the Summit with a compelling keynote address. The EleFant.Ai is a mobile app-based toy library that operates in 16+ cities across India. The platform offers families a sustainable alternative to traditional toy buying, providing access to over 600 educational toys and books sourced from more than 70 leading brands.

Chandu Sekhar Bommithi, will grace the Summit with a compelling keynote address. Chandu leads teams in new technology implementations, DevOps automation, and ensures alignment between technology and business goals across key sectors, including fintech, pharma, and retail. His expertise in driving new product development with data-driven, sustainable solutions plays a crucial role in enabling organizations to achieve operational efficiency and long-term growth.

The **Global Startup Summit 2024** will feature a distinguished lineup of speakers and moderators, including Sabyasachi Biswal (Head of Operations, Oister Global), Arvind Subramaniam (General Partner, Enlighten Capital), Dr. Periasamy Pradeep (Chief Investor, BiggDa Venture Investment), Amit Jain (Co-Founder, Ashika Global Family Office Services), Dr. Sadiq Sait M.S (Founder & CEO, uLektz.com), Anand Megalingam (CEO & Founder of Space Zone India), Nithish Kumar (Vice President - Investments, BEEJ Network), Arasi Arul (Director, TN W.O.M.E.N), Geethanjali Radhakrishnan (Founder & Managing Director, Adiuvo Diagnostics Pvt.
