Lyrics: DEN BAURIN - Christmas Magic

(Verse 1)

Beneath the glow of Christmas lights so bright,

In the stillness of the winter night.

A man with a heart, wrapped in love so true,

Sings a song of joy, just for me and you.

(Chorus)

Oh, Christmas magic in the frosty air,

Whispers of kindness, everywhere.

Through the snowflakes and the mistletoe,

A melody of love, let the carolers know.

(Verse 2)

In the warmth of the fire's gentle flame,

He croons a tale of peace, in Christmas' name.

With each note, a snowflake gently falls,

On the canvas of the night, a waltz enralls.

(Chorus)

Oh, Christmas magic in the frosty air,

Whispers of kindness, everywhere.

Through the snowflakes and the mistletoe,

A melody of love, let the carolers know.
