

Finlabs Collaborates with LSEG

Finlabs is thrilled to announce its partnership with LSEG (London Stock Exchange Group) to bring innovation in the wealth management industry.

STRATEGIC TIE-UP TO DRIVE INNOVATION IN WEALTH-TECH SOLUTIONS

Mumbai, Maharashtra Dec 10, 2024 ([IssueWire.com](https://www.IssueWire.com)) - This collaboration combines Finlabs' expertise in innovative technology with LSEG's world-class data capabilities, bringing advanced solutions to wealth management and setting a new standard for excellence.

This strategic alliance aims to provide cutting-edge wealth-tech solutions that integrate scalable technology with reliable, data-driven insights, enabling financial advisors and organizations to deliver superior services to their clients while driving business growth and efficiency.

About Finlabs India

Finlabs India specializes in delivering innovative, scalable technology solutions tailored for the financial services sector, particularly in high-growth markets. With deep domain expertise and a proven track record in enterprise-grade solution implementations, Finlabs bridges the gap between technology and industry insight, empowering clients to achieve sustainable growth and operational efficiency.

Key Offerings:

- Finexa: A comprehensive platform empowering retail NBFCs and Mutual Funds Distributors with financial planning, investment advice, and product distribution solutions.

- Fiscus: A powerful mobile app that efficiently aggregates and manages clients' financial data.

- LearnGenie: A multilingual mobile app-driven Learning and Development (L&D) platform offering personalized learning content.

Notable Clients:

Finlabs proudly serves a distinguished clientele, including Mahindra Finance, Kotak Education Foundation, Protean, Capgemini, LIC Mutual Fund, Muthoot Finance, Aditya Birla Capital, and Bandhan Mutual Fund.

Recognition and Awards:

Finlabs' commitment to innovation has garnered recognition, including being a Runner-Up in the IT Automation category at Nasscom IBM AI for Business Grand Challenge, Dun & Bradstreet Startup 50 Trailblazer, and Mint Future of Workforce Disruptor in Emerging Enterprise.

About LSEG

LSEG (London Stock Exchange Group) is a leading global financial markets infrastructure and data provider, playing a pivotal role in the global financial system. Through its open approach, trusted expertise, and global reach, LSEG empowers sustainable growth and stability for its customers and communities worldwide.

With operations in over 60 countries and a 25,000-strong workforce—more than half based in the Asia-Pacific region—LSEG delivers comprehensive services in data and analytics, indices, capital formation, trade execution, clearing, and risk management across multiple asset classes.

LSEG's commitment to innovation and its deep understanding of financial markets have positioned it as a trusted partner for clients seeking transformative solutions. The company is headquartered in the United Kingdom, and its ticker symbol is LSEG.

A Joint Vision for the Future

This partnership marks a significant milestone in the evolution of wealth-tech solutions. Together, Finlabs India and LSEG aim to deliver next-generation wealth management tools designed to enhance customer experiences and drive business success.

Stay tuned for updates as we embark on this journey to innovate and elevate the wealth management industry.
