**California City, California Dec 10, 2024 ([Issuewire.com](http://Issuewire.com))** - YouTube is a grand mixture of communities and voices from all over the world. This gives content creators a platform to showcase their creative content and connect with people from every corner of the earth. On the one hand, this quality of YouTube makes it popular among content creators, and on the other hand, it creates a competitive space among them. To make this journey easier, **Videoipsum has video promotion services here**, and it has the biggest deal of the year for its clients. The video marketing platform is offering a massive up to 20% discount for the upcoming Green Monday sale! The sale starts on 9th December and will continue till 22nd December, giving video makers and marketers the amazing opportunity to build an audience on YouTube at a discounted rate.

Videoipsum has been working in the industry for years, earning an intangible reputation to its name. Known as the most reliable [YouTube promotion service](#), the company has promoted

18K+ YouTube channels. In its years of service, the company has helped its clients gain more than 12M interested subscribers, and 327M+ views on channels. With more than 45M likes from interested YouTube users, the company is now an official Google partner that uses official YouTube Ads tools to complete its marketing campaigns. Promotion with Videoipsum is easy, and it is done in 4 simple steps. In the first step, the client needs to select YouTube videos and target audiences. All it takes is a determination to see the video on top of search results! The client can start by selecting the video URL

they want to promote and submit it to the team of Videoipsum. In this step, the user also needs to select which target audience they want to promote the video to.

The second step is about getting started with effective promotions. Once the video URL is submitted to the team of Videoipsum and the target audience is selected, the team immediately starts promoting the video through YouTube Ads or using premium digital publishers. The video then gets boosted among YouTube watchers with the same interest. In the third step, the client starts to feel the growth in real time. In this step, the promotion starts to bring results and the video starts to get more organic views and engagement, as the campaign promised. In the fourth and last step, the client is presented with the results of the promotional campaign. At this stage, they can check YouTube Analytics for a better understanding of the campaign. They will get detailed stats like demography metrics, watch hours, and a comparative analysis of YouTube likes, subscribers, and views.

Vid3e3oipsum's campaigns have gained popularity in the market because of their effectiveness, efficiency, and affordability. All of its campaigns are priced at reasonable prices. Now, with the upcoming Green Monday Sale, the prices are going to be even lower. Clients can get up to 20% on any video promotional service, from 9th to 22nd December! Grab the chance and grow your YouTube audience into a loyal fan base now!
