

## Group 36 Introduces New Website Design to Support Nonprofit Growth

# WE FOCUS ON IMPACT

**Philadelphia, Pennsylvania Dec 12, 2024 ([IssueWire.com](https://www.IssueWire.com))** - Group 36, a trusted provider of fiscal sponsorship and nonprofit consulting services, proudly announces the relaunch of its newly redesigned website, [www.group36.org](https://www.group36.org). The refreshed platform reflects Group 36's unwavering commitment to supporting nonprofit organizations in achieving their missions and enhancing their impact worldwide.

The new website has been redesigned to provide a user-friendly experience, offering clear information about Group 36's services and approach. It serves as the primary online presence for the organization, helping visitors learn about what Group 36 offers and how to connect with its team.

### What's New?

The redesigned website introduces several updates aimed at improving usability and providing clear, actionable information for current and prospective partners. Key features include:

- **Detailed Service Offerings:** In-depth descriptions of Group 36's core areas of expertise, including fiscal sponsorship, nonprofit consulting, and program services. These sections help visitors understand how Group 36 supports organizations in managing their operations and maximizing their impact.
- **Leadership Spotlight:** A dedicated webpage now highlights the leadership team of Group 36. This section allows visitors to connect with the individuals driving Group 36's mission forward and understand the organization's commitment to excellence.
- **News and Insights Section:** A regularly updated area featuring nonprofit sector news and analytics, offering readers insights into the latest trends and developments affecting the industry.
- **Enhanced Contact Options:** Simplified ways for organizations to connect with Group 36 for partnership inquiries and tailored consulting.

"Our redesigned website is more than just a digital facelift," said Dmitry Dikman, CEO of Group 36. "It's a place where [nonprofits](#) can easily learn about who we are and how we can help them advance their missions. Whether exploring [fiscal sponsorship](#) opportunities or seeking expert advice, the new site makes the process straightforward and accessible."

## Key Services

Group 36 specializes in providing comprehensive support to nonprofits, philanthropic organizations, and NGOs through a range of tailored services.

### Fiscal Sponsorship

Group 36 offers fiscal sponsorship to organizations, allowing them to benefit from tax-exempt status without managing their own 501(c)(3) status. This arrangement provides sponsored projects with tax-deductible donations, financial oversight, and operational support.

Fiscal sponsorship promotes efficiency, minimizes administrative costs, and enables projects to focus on their mission. Group 36 offers various sponsorship models, including comprehensive sponsorship for early-stage programs and technical assistance for existing nonprofits.

### Organizational Consulting

Group 36 provides tailored solutions to enhance nonprofit success through strategic planning, organizational effectiveness, and governance support.

- **Strategic Planning:** Group 36 conducts comprehensive reviews, engages stakeholders, sets measurable goals, and creates actionable plans with ongoing support to ensure mission alignment and adaptability. Inclusive processes foster shared ownership and sustained focus on objectives.
- **Organizational Effectiveness:** By analyzing processes and policies, Group 36 helps nonprofits streamline workflows, improve performance, and establish accountability to maximize impact and better serve their communities.
- **Board and Governance:** Group 36 strengthens governance through board development, robust policies, performance evaluations, and succession planning, ensuring effective leadership and organizational sustainability.

### Program Services

Group 36 offers expert support in project design, grantmaking, and financial management to help nonprofits achieve their missions efficiently and sustainably.

- **Project Design and Implementation:** Group 36 collaborates with organizations to create tailored projects, from concept development to full-scale execution. They focus on sustainability, scalability, resource management, and stakeholder coordination to ensure success during and after project launch.
- **Grantmaking:** Group 36 partners with donors to strategically allocate funds, foster donor-grantee relationships, and monitor outcomes. Their services ensure transparency, measurable impact, and sustainable change for communities and causes.
- **Financial Management:** Group 36 provides comprehensive financial support, including funds administration, CFO advisory, and bookkeeping, ensuring nonprofits operate with clarity and stability to focus on their missions.

### Why Now?

Group 36's website relaunch comes at a time when nonprofits are navigating increasingly complex

challenges, from securing sustainable funding to adapting to evolving operational landscapes. With this updated website, Group 36 provides an improved way for visitors to learn about the organization and how it can support nonprofits in achieving their goals.

The relaunch reflects Group 36's ongoing commitment to transparency and accessibility. "This website is not just about showcasing our work—it's about creating a space where nonprofits can connect with us and find the support they need to thrive," said Dimitry Dikman.
