

# Laura Walsh, Recognized by BestAgents.us as a 2024 Top Agent

Empowering Homebuyers and Sellers with Expertise and Passion for Real Estate

**New York City, New York Dec 2, 2024 (IssueWire.com)** - Laura Walsh, a dedicated real estate broker with eXp Realty, LLC in Englewood, Colorado, is making waves in the local real estate market by assisting clients in buying, selling, and investing in residential properties. She is committed to representing her client's best interests, ensuring a seamless experience from negotiations to contract execution.

Laura's passion for homes & real estate is deeply rooted in her personal experiences. Before embarking on her real estate career, she spent years helping her family find their dream homes and even assisted her real estate agent during her home's closing. This foundational experience ignited her love for the industry and inspired her to pursue a career in real estate five years ago.

Armed with a Bachelor's Degree in Elementary Education from Mansfield University, Laura spent many fulfilling years as a second-grade teacher, where she honed her communication and interpersonal skills. Her love for design and homes led her to work alongside her sister, providing staging services for 13 years. This unique blend of education, staging expertise, and hands-on experience has positioned Laura as a specialist in guiding every buyer and seller. She offers invaluable education and support throughout the home-buying & home-selling process, ensuring her clients feel informed and confident every step of the way.

Laura's self-motivation and commitment to building lasting relationships with her clients set her apart in the competitive real estate landscape. Known for her extensive network of trusted vendors, including mortgage and title professionals, she streamlines the journey to closing for her clients. Whether navigating the complexities of real estate transactions or providing advice on home staging and renovations, Laura's ultimate goal is to help her clients love where they live.

In addition to her professional achievements, Laura is actively involved in her community. For many years she was a team leader at Mothers of Preschoolers, taught fitness classes at a local gym, and as a breast cancer survivor, she gives back by supporting awareness initiatives and fostering connections among local families.

When not working, Laura enjoys an active lifestyle filled with snowboarding, fitness classes, pickleball, hiking, and yoga, while also finding time to relax at the beach, read, and socialize.
