

## New Children's Book "Alexander Hamilton's Wish for Battlefield Glory" Set to Inspire and Educate Young Readers

Award-winning author C. Behrens brings history to life with his new children's book, "Alexander Hamilton's Wish for Battlefield Glory," set to release on December 14, 2024.

Paramus, New Jersey Dec 29, 2024 ([Issuewire.com](http://Issuewire.com)) - This December, young readers and history enthusiasts alike are invited to journey through the incredible life of one of America's most remarkable Founding Fathers with the release of **Alexander Hamilton's Wish for Battlefield Glory** by award-winning author **C. Behrens**. Slated for release on **December 14, 2024**, this beautifully illustrated

children's book blends history and inspiration, captivating audiences with Hamilton's extraordinary rise from a young orphan boy to a leader who helped shape a nation.

From Hamilton's early boyhood dreams of war to his pivotal role as George Washington's right-hand man, this engaging story brings his legacy to life for children aged 4 to 8 and beyond. Readers will be transported to Hamilton's heroic feats, including his leadership at the Battle of Yorktown, and discover how his hard work, determination, and unwavering vision changed the course of history.

What sets ***Alexander Hamilton's Wish for Battlefield Glory*** apart is its vivid storytelling and vibrant illustrations that not only recount historical events but delve into the motivations, emotions, and challenges Hamilton faced. From Hamilton's rise to prominence during America's fight for independence to the legacy his wife ensured lived on, this book introduces young readers to a multidimensional figure whose contributions resonate to this day.

Diane Donovan, Senior Reviewer at Midwest Book Reviews, praises the book stating, "*Kids who normally view history as impersonal and boring will relish the vivid capture of underlying emotions, influences, and passions which fueled America's fight for independence...*"
