

# PeachStars and Dreams of Terror

Introducing Short Horror Films

**Atlanta, Georgia Dec 13, 2024** ([Issuewire.com](https://www.issuewire.com)) - PeachStars TV will bring you shows from actual innovative creators with actual good content. This membership platform has no monthly fee. PeachStars TV is available on Roku Amazon FireTV and more.

PeachStars is excited to announce that Dreams of Terror will air on the network. Dreams of Terror is a drama horror thriller created and produced by Hustle Dream Production LLC in Atlanta Georgia. This production will not disappoint because it will give you just enough to fuel your imagination.

Dreams of Terror will show ominous events that will question dreams from reality. Nothing is off limits with how creative an imagination can conjure. From possessed dolls to Paranormal Activity, and more, no dream will be left untold. Hustle Dream Production will also introduce us to talented actors who will capture viewers and definitely showcase their skills.

The writer and creator state everyone has encountered a terrible or horrifying dream. The problem is the creator remembers his dreams and is bringing them to viewers as DREAMS of TERROR.

Creators and viewers are able to sign up or register today at [peachstarstv.com](https://peachstarstv.com/register/) for a membership fee of only \$4.99 for the year with no monthly subscription fee. Join by visiting <https://peachstarstv.com/register/>
