

Route 66 Roadscapes- Stories Through The Lens Press Release

A Photography Coffee Table Book Featuring a Photographer's Journey Across Historic Route 66, with Stories from the Road.

Nashville, Tennessee Dec 9, 2024 (IssueWire.com) - Jay Farrell Unveils *Route 66 Roadscapes*— A Photographic Journey Along America's Most Iconic Highway

The New Book *Route 66 Roadscapes* Offers a Unique Journey Through the Lens of America's

Most Iconic Road

Fine-art photographer and author Jay Farrell is thrilled to announce the release of *Route 66 Roadscapes: Stories Through the Lens*—a captivating 220-page hardcover coffee table book showcasing the classic nostalgia, forgotten ruins, and hidden gems of America’s legendary Route 66.

Through vibrant color photography and compelling storytelling, *Route 66 Roadscapes* takes readers on an immersive journey along the iconic Mother Road. The book highlights timeless roadside attractions, vintage neon signs, and diverse landscapes rich in history and Americana charm.

“With this book, I hope to share the spirit of exploration and the nostalgic magic of Route 66,” says Farrell. “It’s my tribute to one of America’s greatest road trip/travel experiences.”

Drawing from years of experience photographing abandoned and historic sites, Farrell offers a fresh perspective on Route 66. *Route 66 Roadscapes* goes beyond familiar landmarks, shining a spotlight on the lesser-seen treasures that give The Mother Road its enduring character.

About the Book

Printed as a premium 8.5” square hardcover, *Route 66 Roadscapes* is the perfect addition to any coffee table or collector’s library. This meticulously curated volume invites readers to experience the magic of the historic highway through a photographer’s lens. Each page showcases breathtaking moments where light, weather, and scenery come together to embody the spirit of Route 66. The vivid color photographs are paired with a blend of travel journals and essential historical context, creating a visual and narrative journey unlike any other.

About Jay Farrell

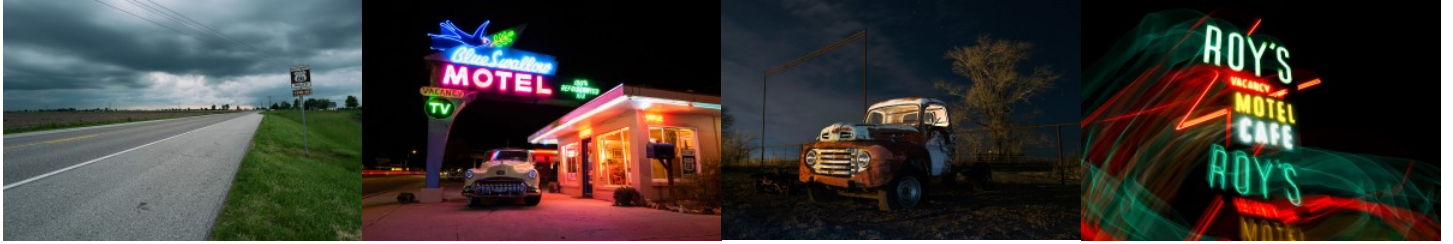

Jay Farrell is a Nashville-based photographer and storyteller celebrated for his ability to capture the beauty of forgotten places. His work has been featured in multiple books, including a photography series with Fontheil Media that delved into the desolation and intrigue of abandoned locations. With *Route 66 Roadscapes*, Farrell embarks on a new self-published journey, showcasing America’s historic landscapes and timeless road trip culture with a personal and artistic vision.
