

## Vault Strategies Appoints Brad Vilims, M.D. as Chief Medical Officer

**Denver, Colorado Dec 9, 2024 ([IssueWire.com](https://www.issuewire.com))** - Vault Strategies, a leader in healthcare management and innovation, is pleased to announce the appointment of Dr. Brad Vilims, M.D., as Chief Medical Officer. Dr. Vilims brings over 27 years of specialized experience in pain management, regenerative medicine, and advanced interventional techniques to the role.

Dr. Vilims is a board-certified Anesthesiologist and a Diplomat of the American Board of Pain Medicine. He completed a prestigious twelve-month Fellowship in Interventional Pain Medicine at the Bowman Gray School of Medicine. Throughout his career, Dr. Vilims has distinguished himself as a pioneer in diagnostic and therapeutic spinal injections and holds numerous patents in the fields of regenerative medicine, neuromodulation, and RF thermal coagulation, with products marketed globally.

In addition to his clinical expertise, Dr. Vilims has demonstrated strong leadership within the medical community. He has served on various advisory and quality assurance boards, including the Occupational Medicine Advisory Board of the Colorado Medical Society and the Sloan's Lake Quality Assurance Committee. Dr. Vilims is also a past president of the Colorado Society of Interventional Pain Physicians and has been a master instructor and featured speaker at major international conferences, including those hosted by The Spine Intervention Society and the North American Spine Society.

As Chief Medical Officer, Dr. Vilims will play a crucial role in advancing Vault Strategies' mission to improve healthcare delivery through innovative solutions and strategic partnerships. His extensive background in pain management and interventional medicine aligns perfectly with Vault Strategies' commitment to providing the highest quality of care to its members and partners.

"Dr. Vilims' appointment as Chief Medical Officer represents a significant milestone for Vault Strategies," said Jay Jensen CEO of Vault Strategies. "His expertise and leadership will be instrumental as we continue to expand our service offerings and enhance the care provided through our comprehensive healthcare ecosystem."

Vault Strategies, through its diverse portfolio of companies, including Vault Captive, Vault Admin Services, and the Vault Cares Network, offers a wide range of healthcare-related services, from administration to risk management. The addition of Dr. Vilims to the executive team underscores the company's commitment to clinical excellence and innovation in healthcare.

## **About Vault Strategies**

At Vault, our unwavering focus is on the success of our partners and members. We have developed a comprehensive service ecosystem that optimizes healthcare benefit administration, manages both financial and clinical risks, and promotes cost containment and sustainability.
