

Award Winning Singer-Songwriter Dawn Rix is Coming with the Ultimate Love Anthem

Tennessee, United States Jan 24, 2025 ([IssueWire.com](https://www.issuewire.com)) - Multiple award-winning artist and ISSA Female Vocalist of the Year Dawn Rix is here to present this time, a stunning love ballad that is making its Worldwide debut on February 14th. This titled hit 'Broken Pieces' is an honest reflection of true love. Producer Paul Bowen describes the song as, "A raw and vulnerable moment of grappling with the duality of heartbreak and hope."

To celebrate this Valentine's Day Dawn Rix Music is releasing "Broken Pieces" an exquisite love ballad written by Rix and Corey Lee Barker on February 14th available on all digital platforms. Born to sing, a songwriter and entertainer this artist is gaining audiences and fans with hits topping radio charts across the globe. Dawn's insane passion for the craft and her genuine love for what she does are reflected in every line she sings. This upcoming track is going to be even more special because she is presenting her true self at the most vulnerable moment between healing and moving on. Some of her previous memorable hits include Song of the Year 'Painkiller', 'Worlds Collide', 'Bent Not Broken', and her Number 1 Favorite 'Tennessee Miles' just to name a few.
