

## **Carly Serro-Masula, RN, BSN: A Passionate Advocate for Patient Care at the Hospital for Special Surgery**

Prioritizing Compassion, Recovery, and Well-Being in Every Patient Interaction

**New York City, New York Jan 20, 2025 ([IssueWire.com](https://www.IssueWire.com))** - Hospital for Special Surgery (HSS) is proud to highlight the exceptional contributions of Carly Serro-Masula, a dedicated registered nurse who exemplifies the core values of compassion and professionalism in nursing. Specializing in pre-surgical testing, med-surgical nursing, telemetry, and working in the Post Anesthesia Care Unit, Carly plays a crucial role in ensuring the well-being and recovery of her patients.

“What I love most about being a nurse is being directly involved in care that makes a difference in a patient’s overall well-being,” Carly states. “I love that feeling of knowing I helped a patient with their recovery. The initial moments of waking up from surgery can be frightening for a patient, and knowing I helped ease their pain and/or anxiety is what I love most about being a nurse!” Her heartfelt dedication to her patients is evident in her daily interactions, where she strives to create a comforting and reassuring environment for those in her care.

Carly’s journey in nursing began with a strong educational foundation. She graduated from Saugerties Senior High School in 2015 and pursued her Associate of Science in Registered Nursing at SUNY Ulster, which she completed in 2019. Her academic excellence continued as she earned her Bachelor of Science in Nursing from SUNY Empire State University in 2021, graduating Summa Cum Laude. During her time in school, Carly actively engaged with her peers as a member of the Student Nurses Association and served as the Treasurer of the SUNY Ulster Nursing Club, showcasing her leadership skills and commitment to the nursing profession. She then continued to showcase these leadership skills by becoming the Student Ambassador for the Nursing and Allied Health Program at SUNY Empire. Committing to this role virtually during the COVID-19 Pandemic only highlights how much she goes above and beyond as a nurse.

Carly’s achievements and success in nursing are driven by her profound passion for helping others, her unwavering commitment to patient care and safety, and her pursuit of continuous education. She embraces challenges as opportunities for growth, consistently seeking to enhance the quality of care provided to her community. Her expertise and compassionate approach make her a valuable asset in the healthcare field, where she works tirelessly to ensure that every patient receives the highest standard of care.

As HSS continues to uphold its reputation for excellence in patient care, nurses like Carly Serro-Masula are at the forefront, making a meaningful impact on the lives of patients and their families every day.
