21st - 29nd January | Spotify Promotion Services

Aloha, Jan 20, 2025 (Issuewire.com) - 2025 has started at full throttle and it is time for music artists on Spotify to create a buzz among the fans. **The Tunes Club** is kickstarting the New Year with its **2025 SUPER SALE** where music artists can avail of music promotion services for Spotify at a big discount of 20%. The sale is starting from **January 21st** and will empower artists till **January 29th**.

The offer is valid for only a short window of one week and interested music artists are encouraged to grab on to this opportunity as soon as possible. That offer is valid on all kinds of promotional packages offered by the company and applicable to all kinds of artists including singers, rappers, DJs, and producers.

The company offers four different packages for [Spotify Promotion Services](#) and each of them is designed to help music artists grow on Spotify. The Tunes Club utilizes the strategies of playlist submission, content market, and social media marketing to help artists establish a successful music career ahead. It helps to generate organic streams and allows gaining more active listeners from credible sources who can also become loyal fans. It can also help to gain more traffic and online engagement which improves an artist's presence on Spotify's algorithm.

Firstly, there is **Spotify Marketing Package** which is a special package designed for beginners on the platform and can be availed of at a very nominal cost. This package allows promoting only one track which is submitted to 60+ curated playlists on Spotify. Artists can get up to **3000-3500 listeners** with the help of this package as well as followers as the track will be shared with 100K+ Social Media Followers through platforms like Facebook, Instagram, and Twitter. The Tunes Club shares a detailed analytical report at the end of the promotional campaign to let artists have a transparent view of the campaign.

Similarly, there is also a **Spotify Promotion Pack** where artists can promote two Spotify tracks through 90+ curated playlists on the platforms. In this case, artists can gain up to **7000-7500 listeners** along with the benefits of press release distribution. Along with content marketing and the social media market; artists can also receive more traffic and engagement improves the presence of the artist's music. The Tunes Club also offers **Spotify Marketing Pro Pack** where artists can promote three tracks through 120+ curated playlists on Spotify to get up to **10,000-11,000 listeners**. The promotional benefits and the price of the packages are directly proportional which allows music artists to find diversified options.

Lastly, there is the **Spotify Promotion Pro Pack** where music artists can promote a sum of 4 different tracks through 180+ curated Spotify Playlists and gain up to **14,000-15,000 listeners**. For content marketing, artists can enjoy the benefits of Paid **PR Distribution**, **Music Blogs** as well as **Artist Reviews**. The best part of these is the 2025 SUPER SALE which will help artists get all of the aforementioned packages at a huge **discount of 20%**. It will be active from **January 21 to January 29** only.
