

Gregory P. Pisarski, MD, FACS: A Leader in Plastic Surgery at Gulf Coast Plastic Surgery in Lake Jackson, Texas

Bringing Expertise and Compassion to Aesthetic and Reconstructive Procedures

New York City, New York Jan 29, 2025 ([IssueWire.com](https://www.issuewire.com)) - Dr. Pisarski, a distinguished triple-board certified plastic surgeon, is setting new standards in patient care at Gulf Coast Plastic Surgery. With a

strong commitment to ethical practice and advanced medical techniques, he offers a range of services including breast augmentation, tummy tuck, liposuction, Botox®, and hair removal, ensuring that each patient's unique needs are met with the highest level of precision and care.

"My philosophy is to provide my patients with the highest level of medical care available in an ethical and confidential manner. I strive to stay current with the most advanced technology in cosmetic enhancement procedures. We'll help educate you about your options, so you can feel confident about your decision," he stated. This patient-centered approach has garnered trust and satisfaction from individuals seeking both cosmetic improvements and reconstructive solutions.

Educated at some of the most prestigious institutions, Dr. Pisarski graduated magna cum laude with a Bachelor of Arts degree in Chemistry from Texas Christian University. He went on to earn his medical degree from the University of Texas Health Science Center, followed by an intensive internship and residency in plastic and reconstructive surgery at the University of Cincinnati Hospitals. To further enhance his expertise, he completed fellowships in pediatric burn and critical care at Shriners Burn Institute, as well as cosmetic surgery in Miami, studying under renowned surgeons Drs. Baker, Gordon, and Stuzin.

An authority in his field, the doctor is board-certified in plastic surgery and facial plastic and reconstructive surgery through the American Board of Plastic Surgery (ABPS), which promotes safe and ethical practices in the field. Additionally, he holds board certification in general surgery from the American Board of Surgery (ABS). His commitment to excellence is further demonstrated by his status as a Fellow of the American College of Surgeons (FACS) and membership in several esteemed organizations, including the American Society of Plastic Surgeons and the Texas Society of Plastic Surgeons.

Beyond his professional achievements, he is dedicated to giving back to the community. He has traveled to the Philippines, Mexico, and Nicaragua to treat patients with congenital deformities, such as cleft lip and palate. This humanitarian work has been profoundly rewarding, allowing him to use his skills to change lives.

When he is not in the operating room, Dr. Pisarski enjoys off-road motorcycle riding, embracing the thrill and adventure it brings.
