

John C. Brown, MD, FACEP, LLC: A Pillar of Emergency Medicine in Greater Kansas City

Renowned Emergency Physician Continues to Serve the Community While Leading Innovations in Medical Informatics

New York City, New York Jan 20, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Dr. John C. Brown, MD, a distinguished figure in emergency medicine, continues to make a significant impact in the greater Kansas City area. With a rich history of leadership and a commitment to patient care, Dr. Brown exemplifies dedication to both his profession and the community he serves.

Currently practicing emergency medicine, he has held numerous leadership roles, including past President of various emergency medicine physician groups. Renowned for his expertise, he remains actively involved in treating patients full-time in the emergency department, ensuring that he stays at the forefront of patient care amidst the evolving landscape of healthcare.

In addition to his clinical work, Dr. Brown is a recognized leader in medical informatics. His notable tenure as the first Chief Medical Information Officer for 24 hospitals and over 120 clinics showcases his commitment to improving healthcare delivery. Dr. Brown has played a pivotal role in helping physicians adopt new technologies and optimizing these tools to meet their needs, thus ensuring better patient outcomes and streamlined workflows.

Education-wise, he graduated with a Bachelor of Arts from Indiana University in 1978, followed by his Doctor of Medicine degree from the Indiana University School of Medicine in 1983. He is board-certified by the American Board of Emergency Medicine and holds multiple state medical licenses, including Kansas, Tennessee, Missouri, and Indiana. His certifications in Advanced Trauma Life Support, Advanced Cardiac Life Support, and Pediatric Advanced Life Support reflect his extensive training and commitment to emergency medicine.

As a Fellow of the American College of Emergency Physicians and a member of the Healthcare Information & Management Systems Society (HIMSS), Dr. Brown is actively engaged in professional development and the advancement of emergency medicine standards.

Dr. Brown's commitment to excellence is evident not only through his practice but also through his ongoing contributions to the medical community. His work with the Epic Emergency Department Steering Committee further underscores his dedication to improving healthcare technology and patient care.
