

Malgorzata Skiba, MSN, CCRN, SCRN: Advancing Patient Care at Good Samaritan Hospital

A Compassionate Leader in Critical Care and Stroke Management

New York City, New York Jan 20, 2025 ([IssueWire.com](https://www.issuewire.com)) - Good Samaritan Hospital proudly recognizes Malgorzata Skiba, MSN, CCRN, SCRN, a dedicated Critical Care Registered Nurse and Stroke Certified Registered Nurse whose exemplary work has significantly contributed to patient care in the San Jose community. With a strong background in critical care and a commitment to continuous

professional development, Malgorzata embodies the spirit of compassionate healthcare.

Malgorzata's journey in nursing began in 1993 at Liceum Medyczne w Raciborzu, where she laid the groundwork for a career dedicated to patient health and well-being. She earned her Degree in Nursing Science from Saint Xavier University in 2007, followed by studying towards a degree to become a Nurse Educator at the Northern Illinois University School of Nursing. Her pursuit of knowledge culminated in 2019 with an Executive Leadership degree at Saint Xavier University, equipping her with essential skills to lead in the ever-evolving healthcare landscape.

At Good Samaritan Hospital, Malgorzata specializes in critical care, cardiovascular health, and the management of intensive care unit (ICU) patients. Her extensive expertise allows her to provide exceptional care tailored to the complex needs of her patients, making her a vital member of the healthcare team.

As an active member of several professional organizations, including the American Association of Critical-Care Nurses, the American Association of Neuroscience Nurses, the American Nurses Association, and the American College of Healthcare Executives, Malgorzata stays at the forefront of nursing advancements. Her dedication to professional growth and patient care excellence is evident in her practice and the positive impact she has on her patients and colleagues alike.

Malgorzata attributes success to a passion for patient care, the nursing profession, and commitment to growth. She strives to make a meaningful difference in the lives of her patients and their families, reflecting the core values of Good Samaritan Hospital.

Beyond her professional endeavors, Malgorzata enjoys hiking, writing poetry, and gardening, which provides her with balance and inspiration. She regularly engages with *The Journal of Critical Care Nursing* and *Neuroscience Nursing*, leading publications that inform her practice and keep her connected with the latest research in the field.
